**City of Pittsburgh  
Department of Public Safety  
Bureau of Police**

**ANNUAL REPORT 2010**

## Mission

**“Our mandate is the continued protection and enhancement of our diverse neighborhoods by working in partnership with our citizens to creatively solve problems always remaining sensitive to the authority with which we’re entrusted.**

**It is our challenge to provide committed service through  
*accountability, integrity and respect.*”**

## VALUES

**We believe in the value and worth of all members of the Bureau of Police.**

**We believe our integrity is not negotiable.**

**We believe we are individually accountable for upholding the values of our organization.**

**We believe we can best earn respect by first respecting the rights of others.**

**We believe in striving to achieve the highest moral, ethical and professional standards.**

**We will adapt to the changing future by maintaining partnerships built upon  
accountability, integrity and respect.**

# Message from the Mayor

Dear Citizens:

2010 was another banner year for the Bureau of Police and the City of Pittsburgh as a whole. Pittsburgh was once again named “America’s Most Livable City”, and it is impossible to attain such an honor without the important contributions of our public safety officials.

For the fifth consecutive year, our City witnessed a decline in Part 1 crimes, both in terms of raw numbers and per capita crime rate. As of 2011, this is the lowest level of Part I Crime in recorded history.

Nevertheless, there is much work to be done, and we must remain vigilant. Although the Pittsburgh Bureau of Police has made tremendous progress in protecting our community, there was an increase in homicides from 2009 to 2010. This disturbing trend must be reversed. Doing so requires a pro-active stance on law enforcement.

With this in mind, 2010 also marked the launch of several important crime initiatives. Foremost among these is the Pittsburgh Initiative to Reduce Crime, or PIRC. Modeled after similar initiatives in cities such as Boston, this community-based approach at crime reduction will make our City safer by showing would-be criminals that they have a stake in our community’s future.

Moving forward, there is certainly room for improvement. However, I am confident in the ability of our officers, our leadership, and our community to face the challenges that lie ahead. As Mayor, I pledge to do my very best to provide our police force with the best equipment, technology, and resources possible. By focusing on community-oriented policing, the brave men and women of the Bureau will make our City even safer in 2011 and beyond.

Sincerely,

Luke Ravenstahl  
Mayor, City of Pittsburgh

# Message from the Director of Public Safety

Dear Citizens:

Public Safety is the most important function that a city provides. As the Director of Public Safety, I am extremely proud of the services that each of the Bureaus in my Department provides our citizens and visitors. In 2010, we had many challenges and successes from which we continue to learn and grow. None of our successes would be possible without the outstanding cooperation and support we receive from the public and the professionalism of those personnel who are entrusted with the responsibility of providing public safety on a daily basis.

In this Bureau of Police Annual Report, you will see that community/public safety cooperation reflected in the crime statistics. For the fifth straight year, we have realized a drop in Part I crimes. Not only did Part I Crimes decline; but, they are at their lowest levels in our recorded crime history. This continues to serve as a magnet for businesses and families to move into “America’s Most Livable City”.

Looking forward, we continue to invest in taking law enforcement into the future with enhancements to our electronic information systems, the implementation of the Pittsburgh Initiative to Reduce Crime (PIRC), continued efforts to attain state accreditation and continuing our training of new officers to maintain our strength.

Once again, I want to thank each every member of the Pittsburgh Bureau of Police for their dedicated service. You have each ably demonstrated your commitment to *serve and protect* Pittsburgh’s citizens and visitors. You continue to make our citizens proud of both our City and our police force. I reaffirm to all of our officers my commitment in providing you with the resources needed to keep you and our City safe.

Sincerely,

Michael H. Huss  
Director of Public Safety

# Message from the Chief of Police

Greeting's to the citizens of Pittsburgh and to the welcomed visitors of our great City. It is my pleasure to present the Pittsburgh Bureau of Police 2010 Annual Report. I trust that you will find the information contained useful, informative and with greater transparency than provided in prior years.

The men and women of the Pittsburgh Bureau of Police thank you for allowing us to continue to ***Protect and Serve*** our most valued customers along with some of the newest cutting edge equipment and technology. We are continually striving to make the Bureau of Police the preeminent law enforcement agency in the United States. We pride ourselves in providing the best training, the best equipment and the finest men and women within our ranks serving our greatest asset...the citizens of the **Most Livable City**.

The City of Pittsburgh Bureau of Police has experienced another significant year. Crime in the City for 2010 has declined making the City of Pittsburgh one of the safest cities in which to live. The success of the Bureau's strategy in combating crimes is, in-part, manifested in the partnerships that we have established with the citizens of our eighty-nine communities. It is imperative that we continue to work together to nurture this partnership. The Bureau relies on the members of our communities to assist us in fighting crime by providing us with another set of eyes and ears when suspicious or illegal activity is observed. This partnership allows both the police and the community to collectively formulate new crime prevention strategies to assist in educating the public with the most current crime prevention information.

Some new editions to the 2010 Pittsburgh Bureau of Police Annual Report include the section outlining the distribution of sworn personnel under each branch of the Bureau of Police. Sections have also been added providing statistical details on homicides, traffic stops and arrests in the City of Pittsburgh. Also included are sections providing data on police disciplinary actions, police retirements and police deaths.

In keeping with our mission to maintain transparency in the Bureau, we have updated the information provided under the three branches of the Bureau (Administration, Investigations and Operations) to reflect the expenditures in the revised budget summary. We have also included under our Subject Resistance Review Section summaries that provide Firearms Review, Canine Review, Injury Review-Resisting Subjects and Injury Review of Officers.

In the vigilant efforts of the Police Bureau and the citizens of Pittsburgh working together, I am pleased to announce that we have realized a decline in Part I Crimes for the fifth straight year reaching our lowest level in our recorded crime history in both raw numbers and per capita crime rate. Unfortunately, we have realized an increase in homicides for 2010.

The Bureau is also very fortunate to have a diverse Bureau of Police Chaplaincy Corps under the leadership and direction of Chief Chaplain Reverend John Welch. The Chaplaincy Corps has been a tremendous asset to not only the men and women of the Bureau but to the citizens of this great City. The Chaplaincy Corps has grown to a membership of fifteen chaplains of multi-cultural and varied faiths representative of the officers and of the multi-religious communities in which we serve,

As our City continues to flourish as a diverse business, cultural, educational and faith-based community, the Bureau of Police will continue its effort to ensure a safer environment for our citizens and visitors to work, shop, play and visit the historical treasures of our Most Livable City.

I still strongly believe that the churches, the community and the police must work together to attack the element of crime that continues to plague our City. Together and only together can we work to aggressively approach the problem of eradicating the violent crimes that afflicts our neighborhoods, our children and our quality of life. As the statistics for Part 1 Crimes reflect a decrease we cannot afford to rest on our accomplishments but rather continue to build on them. Let's resolve to work collectively to keep Pittsburgh as "America's Most Livable City".

Sincerely,

Nathan E. Harper  
Chief of Police

# The Pittsburgh Bureau of Police

Pittsburgh, located in the center of Allegheny County where the Monongahela and Allegheny Rivers meet to form the Ohio River, was incorporated as a borough by an act dated April 22, 1794, the same year as the Whiskey Rebellion. The act provided for the election of two Burgesses, a High Constable and a Town Clerk. We, in the Bureau of Police, trace our roots to Samuel Morrison, the first High Constable for the Borough of Pittsburgh.

On March 18, 1816, Pittsburgh was formally incorporated as a city. Under this charter, the Mayor of Pittsburgh was elected by the council and was given the authority to appoint the High Constable and four City Constables. These constables were enjoined to preserve the peace, arrest all disorderly persons, and attend court, the market, and Councils. This was a daytime duty in which the Constables were paid by event rather than by salary. The Mayor was also given the power to appoint a night watch consisting of a Superintendent and twelve watchmen. The duties of the watchmen included the care of the oil, wick and utensils belonging to the city and the prevention of murders, robberies and other disorders.

Loss of tax revenues due to a depression in the City's manufacturing and commerce enterprises caused the discontinuation of the night watch in April 1817. It was reestablished on March 26, 1836, by an act that authorized one Captain of the Watch, two Lieutenants of the Watch and 16 watchmen for the purpose of establishing a system of police to secure the City's citizens and their property. During this period, the constables continued to perform daylight duties on a non-salary basis. In December 1857, an ordinance was adopted that established a day-salaried police department consisting of one chief and not more than nine constables. On January 27, 1868, the dual system of day and night police was abolished and the present system was created. In that year, the force was authorized not more than 100 men to include the Chief of Police, one Captain, and not more than eight Lieutenants.

September 11, 2001 changed forever law enforcement in the United States. No longer could we afford to stay inwardly focused on the nationally defined Part I Crimes of Homicide, Aggravated Assault, Rape, Robbery, Burglary, Larceny Theft and Motor Vehicle Theft. We now had to become more cognizant of the external threats to the homeland security of the City.

2009 was the most tragic year in the Bureau's history when we lost Officers Eric Kelly, Stephen Mayhle and Paul Sciuлло II in the line of duty on April 4, 2009.

In 2010, we upgraded the security at the West End station, began the design and construction of security enhancements in our Hill District station, and began the process of upgrading our North Side station and the Police Training Academy. We also moved the Arson Squad from the West End to Stanton Heights allowing us to convert the former squad room to a plainclothes detectives' office, traffic officers' office, computer work space, interview room and a 30-day hold room.

The City's Tow Pound ceased operations in January 2010 and its services were contracted out. The new contractor operated towing operations are more centrally located and operates with extended hours. This allows the public to have more immediate access to their vehicle in the event that it is towed.

Looking forward, the Bureau's greatest challenges will be to further increase and constantly refine our recruiting efforts, refine our organizational structure to better support our citizens and visitors to our

City, further improve our intelligence capabilities, and strengthen our partnerships with our communities, our partnerships with other law enforcement agencies and continuously improve our information technology infrastructure.

## History of Our Badge

*In 1873, the Police Badge  
was designed and officially adopted  
by the City of Pittsburgh.*

*The badge is a unique design:  
The crest is from the Coat-of-Arms of  
William Pitt, the 1st Earl of Chatham,  
The English gentleman for whom Pittsburgh is named.*

*The garter around the badge  
is from the Most Noble Order of the Garter,  
the senior British Order of Chivalry founded by King Edward III in 1348.*

*The shield is a circular fighting shield  
used by 15th century Greek foot soldiers.  
During the 16th and 17th centuries,  
the circular shield was used extensively in the British Isles,  
hence its appearance in Pittsburgh.*

*The Pittsburgh Police Badge,  
with its distinctive design and history,  
is worn with great pride by the men and women  
of the Pittsburgh Bureau of Police.*

# Bureau Priorities and Initiatives

## PRIORITIES

1. **Attain and maintain Pennsylvania accreditation as a law enforcement agency**
2. **Revolutionize recruiting efforts such that the make-up of the Bureau reflects the communities we serve**
3. **Increase cooperation and understanding between the Bureau of Police and the citizens we serve**
4. **Reinvest in the City's future by reinvesting in our youth and their families**
5. **Proactively fight crime within the City of Pittsburgh**
6. **Support federal, state and local law enforcement partners**
7. **Upgrade technology to meet the changing demands of the cyber crime world and the need to access and disseminate data in a timely manner**
8. **Upgrade police facilities to increase safety and security for those who work inside while maintaining public accessibility**
9. **Civilianize administrative positions to increase officer presence in operational assignments**
10. **Perform a continual assessment of our needs, current technology and best practices and change accordingly**

## Initiatives

1. **Pittsburgh Bureau of Police Accreditation Project:** In 2010, we added an additional officer to the Bureau Accreditation Team. We also started the process of procuring PowerDMS – a software package that will help in the policy development, policy distribution and officer policy education process. PowerDMS is expected to be onboard in 2011.

There are **three phases** to the Pennsylvania Law Enforcement Accreditation Commission (PLEAC) process. Each phase has its own unique set of needs and challenges.

### **Phase One – Application – COMPLETED**

- a. Application approval
- b. Receipt of materials
- c. Create filing system
- d. Form accreditation team and assign responsibilities
- e. Attend mandatory training to certify accreditation managers
- f. Create policy revision system

### **Phase Two - Self Assessment - IN PROGRESS**

The Pittsburgh Bureau of Police Research and Planning section has worked throughout 2010 to meet the 132 professional standards and mandates required by PLEAC in this self assessment phase. To date, we have completed 109 of the 132 professional standards. The majority of standards are subdivided into areas known as “bullets”. One standard may have zero to six bullets. Each bullet requires, at a very minimum, an adjustment in the Bureau's

written policy. The bullets may also require training and/or equipment purchases Bureau-wide. There are over 320 inspectable tasks that must be addressed and managed in this phase before the final phase can be considered. This phase is the most challenging and time consuming part of the three phase accreditation process.

The main component in achieving accreditation is policy development. All policies identified for revision follow a specific protocol which includes review by the Pittsburgh Police Command Group (consisting of 5 chiefs, 9 commanders, 3 civilian managers, Training Academy Lieutenant and Research & Planning Lieutenant) and the Fraternal Order of Police. It is a comprehensive process and requires a significant amount of time. The accreditation team uses model policies identified by the International Association Chiefs of Police and the Pennsylvania Law Enforcement Accreditation Commission. When appropriate, the accreditation team meets with subject matters experts both internal to and external of the Pittsburgh Bureau of Police.

In 2010, the accreditation team accomplished the challenging task of revising policy and procedures in several critical areas such as officer and prisoner safety, vehicle and foot pursuits, towing procedures, unbiased policing, critical incidents involving police officers and the state mandated right to know law. We were acknowledged by the Pennsylvania Commission on Crime and Delinquency (PCCD) for our consistent and accurate reporting for juvenile who have been detained for investigative purposes or processed for arrest by the Pittsburgh Bureau of Police. This reporting also includes juvenile who are CYF referrals, returned missing juveniles and runaways. The State of Pennsylvania requires all police departments in the Commonwealth to report detention or arrest of juveniles. We are pleased to report we remain in full compliance with no violations for 2010.

File creation consists of documentation the PLEAC assessors will use to determine if the PBP has the appropriate policy in place to meet each individual standard. The files consist of two proofs that demonstrate the policy is in use consistently bureau wide. These proofs may be demonstrated by highlighting an officer's narrative in an investigative report dealing with that particular standard. File creation is on-going and the centerpiece of the mock and on site inspection.

### **Phase Three - Formal Assessment**

Phase three consists of two separate inspections. The first inspection is known as the mock inspection. During this mock inspection, all 132 standards required for accreditation will be inspected by a PLEAC team. The goal of this phase is to review our policies and procedures to ensure the Pittsburgh Bureau of Police meets the standards for PLEAC accreditation. Any deficiencies discovered during the mock assessment will be identified and resolved.

The onsite inspection is the official inspection conducted by PLEAC in which the entire Bureau is evaluated in a comprehensive and rigorous manner. The inspection, normally lasting two or three days, opens the Bureau up to the PLEAC inspector to visit any of our duty locations, interact with our personnel and evaluate policy implementation.

2. **Street Beat Pittsburgh** Street Beat Pittsburgh is an interactive talk show designed to inform Pittsburgh Residents of the present and proactive initiatives being shared by the Pittsburgh Bureau of Police, citizens, human services groups and the community at large.

Street Beat Pittsburgh is part of Mayor Ravenstahl's and Chief Harper's initiative to showcase the Pittsburgh Bureau of Police and its proactive educational and safety initiatives.

Street Beat Pittsburgh is written, produced, and hosted by Pittsburgh Bureau of Police Public Information Officer, Diane Richard.

Episodes include information on (new episodes are filmed monthly):

Street Beat Pittsburgh airs daily at 9:00 a.m. and 4:00 p.m. Stay tuned to City Channel Pittsburgh for air times on specialty segments (airing times are subject to change).

### 3. **Pittsburgh Initiative to Reduce Crime (PIRC)**

Under PIRC, the City, County, State and Federal Governments are organized with social services organizations and the community in a new way to use all available laws and resources to stop the killings. It is intended to reduce gang/group related homicides in the City of Pittsburgh and is based on the Ceasefire Model developed by Professor David Kennedy of the John Jay College of Criminal Justice in New York City. Implementation and outcomes research is being provided by the University of Pittsburgh School of Social Work.

PIRC works by organizing law enforcement, social service delivery agencies and broad-based community voices to speak directly to the offending population at call-in sessions.

The Pittsburgh Bureau of Police has identified 37 violent groups with over 1400 members, accounting for only .004 percent of the City's population. These groups, however, contribute to a majority of City homicides which often affect youths.

#### **The message is this:**

- Violence is wrong
- Homicides must stop
- We care about you and need you doing good in our community
- There are services available if you need help
- If you cannot control your actions, you and your entire group will be punished
- Take this message back to your gang group members

After the message is delivered, if another homicide occurs, the entire gang or group is removed from the streets and quickly prosecuted. After these actions take place, another call-in session is held.

Any gang group member desiring assistance to transition from street life to an employment based lifestyle can call the PIRC Service Line at 412-255-2374. Pittsburgh Community Services, Inc. is coordinating the delivery of services for PIRC.

First Call-In Session July 13, 2010)

After months of coordination, outreach and research, PIRC implementation team held its first “call-in” sessions at 10 a.m. and 2 p.m. at the Pittsburgh Federal Courthouse. About 55 offenders from these violent groups attended the first call-in. All are on parole or probation and were ordered by the court to attend.

During the call-in, the collaborative partnership of law enforcement, social services, community figures and grieving mothers delivered PIRC’s non-violence message to group-involved offenders currently on probation or parole. All were given a simple, but serious message to take back to their group: killing is not okay for any reason – and it will not be tolerated. The partnership communicated a credible, moral message against violence; a credible law enforcement message about the consequences of further violence; and a genuine offer of help for those who want it.

The session was called to order by Federal Judge Donetta Ambrose and Judge Anthony Mariani. Then, Police Chief Nathan Harper, Acting U.S. Attorney Robert S. Cessar, Assistant District Attorney Dan Konieczka, and Allegheny County Jail Warden Ramon Rustin delivered the law enforcement message.

Under the PIRC structure, the next time a crime occurs by a member of a group all members will be held accountable. When it comes to a homicide, there will be no plea bargains; the hardest arm of the law will be delivered. Then, group offenders will be brought back in for another call-in to reinforce the PIRC message.

The Acting U.S. Attorney gave a gripping presentation on recent federal prosecutions of groups.

“I explained to these offenders the real life consequences of being prosecuted under the federal racketeering statute and conspiracy laws,” said Acting U.S. Attorney Cessar. “Seeing photos of their former peers, who are now serving life sentences in federal prisons around the country, really seemed to send a message. These offenders seemed surprised to learn that being charged with a federal offense often means pre-trial detention and, if convicted, a mandatory minimum sentence that is served in a federal prison far away from family and friends.”

Next, the social services team, which includes case managers, probation officers and Richard Garland, executive director of One Vision One Life, explained the services available to help offenders out of the cycle of violence. Mothers who have lost their sons to violent crime followed with a pleading message. Former gang-members closed the session with a vision of uplift: change is possible.

After the call-in, law enforcement members left the room and social services intake providers and probation officers stayed behind to provide offenders with the streamlined services available to help them get their lives back on track – if they want to change. The offenders took with them a post-card which reinforces the PIRC message and offers the PIRC help-hotline: 412-255-2374. PIRC contracted with Pittsburgh Community Services, Inc. to offer case management for offenders who need assistance in counseling, job placement and drug rehabilitation.

Second Call-In Session October 18, 2010: On October 18, 2010, PIRC held its second call-in event and first call-in event for juvenile offenders at the Allegheny County Courthouse. Approximately 34 offenders were in attendance.

Saturation Detail November 9, 2011:

In the month following the second call-in, there were shootings in the Northside, Hill District, Larimer, and Oakland, with one homicide occurring in the Upper Hill. On Tuesday, November, 9, the Pittsburgh Bureau of Police, along with various multi-agency police units, conducted two saturation details. Both details were initiated as part of the PIRC response to homicides and shootings occurring in the Pittsburgh area.

A number of arrests were made that day. The message was made clear: gun and gang violence will not be tolerated. Officers left the PIRC message (a card) with the individuals they encountered on the detail that included contact information for those individuals seeking assistance to better their lives and also provides a message to stop gun violence.

PIRC Status Update: Since July 13, 2010, PIRC has received:

- 27 service calls from the target population
- 19 of those calls were from people that attended the call-in sessions
- 11 have received workforce development assistance, including resume development
- 10 people received assistance with healthcare, food, holiday presents and other family issues
- 4 people are now employed
- 6 people received GED help
- 4 people received emergency financial assistance
- 4 people have dropped out
- 2 people didn't need any assistance

PIRC is always in need of additional job opportunities for the target population. Any business or nonprofit with such a position can contact the PIRC Coordinator. The Chuck Sanders-PIRC Jobs Fund is available to provide a subsidy towards a person's pay.

PIRC services are accessed by calling the PIRC Service Hotline: 412-592-9472.

**4. City Tow Pound Privatized:**

City towing operations have been privatized. McGann and Chester is the towing contractor for the City for illegally parked vehicles. If your vehicle has been towed, please contact:

McGann and Chester Towing  
700 Hargrove Street  
Pittsburgh, PA 15226  
412-381-9400

Abandoned Vehicles: To report an abandoned car, call the Mayor's Office at 412-255-2621. Please be prepared to provide the location, description of the vehicle and license plate number. If your abandoned vehicle has been towed, you should contact the police zone in which the vehicle had been abandoned for information.

**5. APRS Upgrades:**

- Field Contact Data Propagation – This feature will allow the user to optionally propagate like information, such as vehicle and location data between multiple Field Contact Reports within the same CCR.

- Arrest Data Propagation Enhancement – A new “Auto Generate Reports” button will be added to the bottom of the Investigative and Supplement reports. This button will list an Arrest Report for all of the arrestees listed on the current report (not across the entire CCR) and an Offense Report. All of these reports will be selected by default, but the officer may deselect any of the reports they do not wish to have auto-generated. When the officer selects create, the system will create Under Creation versions of all of the selected reports, pre-filled out with all of the known information in the system. The 2.0 Report that is generated will pre-filled out with all of the Arrestees selected in the screen described above. The officer will then need to review, complete, and submit the reports as normal.
- Warrant Office Data Propagation – This new function will reside on the 3.0 and Supplement Forms and will only be visible to Warrant Office Users. The function will allow the user to enter the OTN and Arrest Number for each Arrestee on the 3.0 or Supplement Report. The user will then hit the “Propagate OTN\Arrest #s” button. The user will be displayed a list of all the unapproved Arrest Reports contained in the CCR with the Arrestee’s Name and Arrest Date. The user can select one, multiple, or all of the arrest reports and the system will add the correct OTN and Arrest Numbers to each of the Arrestees on each of the selected arrest reports. The user will then just need to verify, approve, and print each of the arrest reports.
- The State Vehicle Pursuit Form – This form will be added to APRS. This form is currently manually completed. It will be made electronic with all of the standard APRS controls and validation.
- APRS Report-Tree Enhancement – The CCR Report Tree has been improved to include the name of the main actor of a report. Certain report types, such as Field Contacts and Arrest Reports, where there is only one main actor, will display the actor’s name to the right of the report type in the Report Tree. For instance if a CCR contains three Arrest Reports, each Arrest Report will now list the name of the arrestee next to it in the tree.
- Notification Queue Re-Design – The Notification Queue will be redesigned to support lower resolution settings. In addition many new search parameters have been added to the system, allowing users to search upon Census, Approval or Incident Date, and many other fields. The Notification Queue has also been expanded to allow the user to search the Police Imaging system along with the APRS data, thus expanding the age and number of reports that can be searched.
- Record Search (Notification Queue “Light”) – The new Record Search feature of APRS will allow all officers to search for any APRS or Police Imaging report. The system allows the officer to search by CCR, OTN, and/or victim and arrestee Name. The tool also allows officers to print multiple reports with a single click. For instance, they can search for a CCR and print all of the reports at once.
- Hot Swap Executable – The APRS Server will be re-architected to allow CIS to deploy bug fixes to the APRS Desktop version without the need for a system wide outage. This means that officers working in the various zones will be able to continue to work as a bug fix is deployed and the system will automatically install the new application the next time that they restart APRS.
- Visual Studio Upgrade – The current APRS version uses the Microsoft.NET framework 1.1. The new version will be upgraded to use the Microsoft .NET framework 3.5. This upgrade will lower future development cost and allow the system to utilize the latest Microsoft Controls and technologies in any future development.
- 201/302 Commitments – When a report is created for a 201/302 or Suicidal Person in APRS, a pop-up window will appear to remind the officer to complete the “20.20 CIT Report”. A link to the form will appear. When the report is being reviewed for approval, the supervisor is also reminded to ensure the CIT report was completed.

6. **Property Room Barcodes:** Enhances APRS to allow officers to group and print Evidence Labels directly from APRS. The barcode generated from APRS would then be used to automate the chain of custody and track the property in the Property Room and Crime Lab. This enhancement would have to interact with the Crime Lab's BEAST system. It would also automate the Chain of Custody logbooks by utilizing the officer's smartcards and the new property barcodes.
7. **In Car Camera Project – (Implementing):** In car camera servers have been installed at Zones 1, 2, 5 and 6. Zones 3 and 4 are scheduled to be installed this year pending appropriate funding. Marked police vehicles year models 2008 and 2009 in Zones 5 and 6 already have the electronics of the camera installed in their vehicles as do model year 2009 vehicles in Zones 1 and 2. Any vehicles in these that do not have the electronics currently installed will have to be retro-fitted.
8. **Court Check-In:** With the deployment of the City of Pittsburgh SmartCard identifications, the opportunity to automate the method City officers check-in and out of court presented itself. This was a manual process where officers checked in with the court clerk upon their arrival, checked out with the same clerk when switching to another court or returning to normal duty, and then mailing a stack of officer court cards to the payroll department to track the recorded times. The Court Check-In system now allows a kiosk to be placed at each court where officers can electronically log-in and log-out eliminating the need for payroll cards.
9. **Neighborhood Camera Project:** A project designed to aid law enforcement in designated Pittsburgh neighborhoods by implementing a network of cameras to be use as a tool to combat crime trends. These cameras can monitor an area for any threats and will aid in the identification of individuals involved in criminal activity.
10. **New County CAD System:** Allegheny County has moved to a new Tiburon CAD (Computer Aided Dispatch) System allowing Pittsburgh Bureau of Police supervisors have the ability to monitor calls for service within their zones through the vehicle status application on their mobile data terminals.

# Deputy and Assistant Chiefs

**PAUL J. DONALDSON**

# Administration Branch

The Administration Branch provides internal support to the Bureau of Police and manages the administrative functions in support of our citizens. The Administrative Branch consists of the following units:

**Personnel & Finance:** Personnel and Finance consists of eleven civilian personnel. This unit is organized in two sections - ~ Payroll and Finance.

## Payroll

The mission of the payroll section is to issue all salary and wage payments in an accurate and timely manner in accordance with the policies of the City of Pittsburgh, the Fraternal Order of Police, various grant agreements, and the AFSCME union.

The payroll clerks are also responsible for updating employee roster cards, maintaining personnel files, and filling out insurance forms. They work closely with the main City payroll department. All problems in the payroll area are fielded through the Chief Clerk and if additional input is necessary, the Manager of Personnel & Finance.

In 2010, the year started with 888 sworn personnel, 61 civilians and 132 crossing guards and the year ended with 881 sworn, 59 civilian and 129 crossing guard personnel. The pay breakdown consisted of the following:

|                    | <u>Regular Pay</u>  | <u>Overtime Pay</u> | <u>Secondary Employment</u> | <u>Totals</u>       |
|--------------------|---------------------|---------------------|-----------------------------|---------------------|
| Sworn Personnel    | \$58,581,730        | \$9,114,174         | \$4,789,080                 | <b>\$72,484,984</b> |
| Crossing Guards    | \$1,784,783         |                     |                             | <b>\$1,784,783</b>  |
| Civilian Personnel | \$2,155,989         | \$67,344            |                             | <b>\$2,223,333</b>  |
| <b>Totals</b>      | <b>\$62,522,502</b> | <b>\$9,181,518</b>  | <b>\$4,789,080</b>          | <b>\$76,493,100</b> |

**Bureau of Police - 2010 Payroll**

## **Finance**

The finance section is responsible for a variety of duties. This section is staffed with two accountants and one account clerk. They act as liaisons with other City Departments, vendors, and Police Bureau personnel. Their mission is to ensure the Bureau, is equipped with the supplies, equipment and services necessary for a seven day a week, twenty-four hour a day operation and to process all requisitions and payments according to the policies set by the City of Pittsburgh's procurement office and the Controller's Office. They must do this by staying within the budgetary guidelines established by the Mayor and City Council. This section also prepares legislation when necessary, gathers specifications and establishes contracts when needed. All requisitions and vouchers are processed through the city's PeopleSoft system. Weekly expenditure reports are then generated through PeopleSoft.

The financial employees also gather information for the Manager to prepare annual operating and capital budgets, prepare financial reports for the Chief of Police and gather data for PittMaps.

In 2010 the Bureau had an operating budget of \$70,606,746. The capital budget was split between 2 projects: Station Enhancements: \$254,000 and Firearms Training Section Relocation: \$125,000 (the total allocated for this project is now \$175,000 {\$50,000 budgeted in 2009}).

The operating budget for equipment in 2010 was \$146,000. With this, we purchased 58 PCs, 34 printers, 17 laptops, 10 Mobile Data Computers, and 91 monitors. In addition, we purchased other equipment as needed such as scanners, taser lockers, recording devices, mobile radios, lockers, fax machines, cameras, DVD burners w/ external blu-ray drives, and tools.

The supply budget is \$408,555. Supplies consist of ammunition, targets, canine hardware, canine subsistence, office supplies, operational supplies, paper, and taser cartridges.

The miscellaneous services budget was \$444,714. This funds vet services for the canines, witness protection, vehicle washing, professional services, maintenance contracts and licenses, investigative expenses, insurance premiums and supplies for the Citizens' Police Academy.

### **Crossing Guards:**

Provides street crossing safety within the City of Pittsburgh during the school year. Questions concerning crossing guard issues are addressed by the Assistant Chief of Administration.

**Research & Planning and Intelligence** - This unit consists of the following sections:

### **Research & Planning**

Research & Planning develops policy and procedures pertaining to all aspects of operations within the BPP. Research & Planning is responsible for ensuring that the Bureau of Police achieves and maintains accreditation.

### **Intelligence Unit**

The *Mission of the Pittsburgh Bureau of Police Criminal Intelligence Unit* is to gather information from the widest and most diverse sources possible in a manner consistent with state and federal law, as well as industry standards in order to analyze information to provide tactical and strategic intelligence on the

existence - identities and capabilities - criminal enterprises - and to further crime prevention and enforcement objectives of the Bureau.

The PBP Intelligence Unit is broken into sub units as follows;

Field Detectives who are the subject matter experts on gangs within the City of Pittsburgh;

PSITA (Physical Security Intelligence & Threat Assessment) detectives who work with local

Department of Homeland Security entities, conduct threat assessments and emergency response plans for law enforcement;

Criminal Analysis Unit (CAU), detectives who are subject matter experts in data collection, analysis, reporting, and dissemination.

The Intelligence Unit is also responsible for dignitary protection duties.

The Intelligence Unit provides the Chief of Police with a central criminal intelligence database and resulting analyses relating to narcotics crime, street gang crime, traditional organized crime, non-traditional organized crime, emerging crime groups and security threat groups.

The following details some of the highlighted functions of the Intelligence Unit:

- **Physical Security Intelligence & Threat Assessment (PSITA)**
  - CIKR/Physical Security (Critical Infrastructure and Key Resources) duties: threat assessments on venues, events, and critical infrastructures
  - Liaison and working partner with DHS security initiative
  - Special focus on hate crimes
  - Coordinate and create “Foot Prints” program to establish emergency response plans for Law Enforcement within City schools
- **Intel Liaison Officer (ILO) Program**
  - Formalized information sharing with designated PBP Zone Officers
  - Monthly meetings at PBP Intell Office
  - Weekly cooperative meetings/enforcement in Zones
- **Member of the PBP Pittsburgh Initiative to Reduce Crime (PIRC) Initiative**
  - Provide stats and analysis
  - Conduct enforcement operations
  - Coordinate and work cooperatively with adult and juvenile probation
- **Assisted Operations Branch and Investigations Branch Personnel**
  - Zone Personnel
  - Cold Case Squad
  - Homicide Squad
  - Narcotics and Vice
  - Missing Persons
  - Burglary Squad
  - Robbery Squad
  - CTIPS

- **Prepared intelligence/analytical products in support of tactical and strategic objectives**
  - Weed and Seed Grant Application and award
  - Project Safe Neighborhoods
  - Intelligence Briefs
  - Officer Safety Bulletins
  - Greater Pittsburgh Gang Working Group (GPGWG)
- **Provided support to the United States Secret Service for dignitary protection for the visits by the President and Vice President of the United States.**
- **Provided dignitary protection support to federal, state, local, and high profile individuals as requested and needed.**
- **National Integrated Ballistic Information Network (NIBIN) Link Analysis Summary.** In conjunction with the Dept. of Alcohol, Tobacco and Firearms and the Allegheny County Office of the Medical Examiner, continued to develop and implement an effective system to conduct in-depth analysis of data from the National Integrated Ballistic Information Network (NIBIN)
- **Project Safe Neighborhoods – Anti-Gang**
  - Continuing efforts in the identification of street gangs and members.
  - Worked extensively with Juvenile Probation to apprehend violent youth
- **Developed, Designed and Delivered Gang Awareness Training for Public Schools and other agencies**
  - Allegheny Intermediate Unit
  - Sto-Rox School District
  - PA Department of Corrections
  - Adult and Juvenile Probation
- **Stamped Heroin Tracking**
  - Produced Heroin Market Assessment
  - This data is shared with State Police
- **Assisted Federal and State Law Enforcement Agencies in investigations**
- **Crime Analysis**
  - The Crime Analysis Unit (CAU) maintains crime statistics for the City of Pittsburgh.
  - Statistics maintained by the CAU are not considered “real time” (it takes about 15 days for the data to be coded and entered into the CRIMES RMS according to UCR standards).
- **Develop and maintain current & historical data**
  - Prepare monthly reports for the command staff
  - Prepare statistical products upon request by the PBP, City, outside agencies, citizens, community groups, etc.

- **Review daily offense and arrest reports for patterns**
  - Crime Alerts
  - An analysis of crime, identify similarities among different offenses and reveal commonalities and patterns in the characteristics crime problems.
  
- **Produces**
  - Crime maps
  - Written and oral requests filled in a timely manner
  - Calls for service and occasionally real time assistance with on going cases
  - UCR Part I Crime reporting
  - Clery Act reporting

### **Special Events/Secondary Employment and Cost Recovery**

- **Cost Recovery Fee Program**
  - All businesses/Organizations that hire off-duty Pittsburgh Police Officers to work for them must pay a cost recovery fee. The employer is billed for the officer(s) hourly rate and administrative fees of \$3.85 per officer/per hour
  
- **Centralized Scheduling**
  - All secondary employment (off-duty) opportunities are approved by the Chief of Police and logged into a computer system that maintains all necessary records for the efficient management of secondary employment

## **Pittsburgh Police Training Academy**

Listed below is a recap of the training that was completed in 2010:

### Recruit Training

- Basic Recruit Class 09-01 – Thirty-nine basic recruits started at the Training Academy on September 28, 2009. Thirty-eight graduated and they were assigned to patrol zones in August, 2010.
- Veteran Recruit Class 09-01 – five veteran recruits started at the Training Academy on September 28, 2009. They were assigned to patrol zones in January, 2010.

### MPOETC Act 180 Mandatory In-Service Training and Annual Firearms Qualifications

The Training Academy taught the four 2010 mandatory in-service training (MIST) courses for all sworn Pittsburgh Bureau of Police officers. The 2010 curriculum consisted of Legal Updates (3 hour block of instruction), Use of Force in Law Enforcement (3 hour block of instruction), Initial Responses to Police Incidents (3 hour block of instruction) and Contemporary Forensics (3 hour block of instruction).

The Training Academy re-qualified all full-duty sworn personnel in firearms.

### Patrol Rifle

The Training Academy qualified 230 officers in the patrol rifle during an initial three-day course.

### TASER

A total of 62 officers (including 40 Recruits) took the basic Taser course and were certified to carry. 490 officers were recertified to carry the Taser. There are now 553 officers certified to carry the Taser.

### Verbal Judo

Forty officers received training in Verbal Judo in 2010 (all recruits). Verbal Judo teaches a philosophy of how to look creatively at conflict and use specific strategies and tactics to find peaceful resolutions. These skills are beneficial to officers in their duties because dealing with the public is often difficult and trying emotionally. Maintaining a "professional face" is crucial if officers are to remain under emotional control and be able to effectively find solutions to potentially violent encounters without escalating to physical force options.

### CPR/First Aid

489 officers (including 40 recruits) completed their CPR/First Aid/AED training in 2010.

### Technology Training

In 2010, the training academy began a project to develop curriculum and assume training for all police related computer applications. This began in the spring of 2010 with the In Car Camera Video Program, Vehicle Status and the E Citation Program. Programs in 2011, will include training in the Neighborhood Camera Program, Penn DOT Crash Reporting, J-Net, and Automated Police Reports.

The Training Academy is also in the process of developing a classroom that will function as a computer laboratory. This room will allow officers to be trained on all three shifts.

### High Risk Traffic Stop Training

In 2010, all officers in the Police Bureau attended a one day session in High Risk Traffic Stops. This class consisted of classroom lecture and live exercises on safely managing these types of traffic stops.

### Case Law 2010

In 2010 the training academy hosted a Case Law 2010 class. This class was sponsored by ILEE (Institute for Law Enforcement Education), and gave officers up-to-date state and federal case law as well as search and seizure case law. Forty-three officers attended this class.

### Police Supervisory In-service Training (POSIT)

Twenty-nine supervisors and two supervisor candidates attended the Police Supervisory In-service Training course. POSIT is a one week course that focuses on the most difficult aspect of supervision - how to motivate and guide the behavior of others. The course is designed to furnish the tools necessary to perform confidently as a supervisor in the demanding world of modern law enforcement. Key concepts and topics covered in the course include the role of the first-line supervisor, leadership, managing performance standards, performance appraisal, supervising the marginal employee, legal issues and creative supervision.

### Canine Training School

The Canine Training School supports the nineteen Pittsburgh Bureau of Police K-9 teams, hosts the Region 13 K-9 program and offers initial and in-service K-9 training to surrounding law enforcement agencies.

In 2010, the school conducted over 800 in-service training sessions and conducted 1 (early summer) fourteen week initial training classes graduating 6 new dog teams; five for the city and one for a local outside agency. One of the City dogs was trained specifically to locate firearms; four others were for drug detection. During in-service training, which is conducted twice per month (national standard), teams are continuously trained and monitored to ensure maximum proficiency in the following tasks: obedience/agility, substance detection, apprehension and tracking. All in-service dog teams were maintenance trained to include the Hold & Bark method of suspect apprehension. Formal yearly certifications were conducted in the fall of 2010 covering detection, apprehension, obedience and agility.

With the success of the gun dog program approval was sought and granted in the latter part of 2010 to combine the gun & explosive detection dog programs. This adjustment will enhance the number of dogs capable of locating firearms and explosives (gun dogs will be capable of locating explosives and explosive dogs will be capable of locating guns). Completion of this transition is slated for the first quarter of 2011.

Hosting and facilitating the Region 13 K-9 Explosive Detection Program (12 dual purpose dog teams) has regionalized a valued resource making explosive detection canines available throughout Southwestern Pennsylvania. Eight participating agencies were supported by the training school in 2010. Three Region 13 dogs were taken out of service (two agencies suspended their participation) in 2010. Efforts have been underway to replace these dogs in 2011.

In a tradition that dates back to the beginning of our program in 1950's, the Pittsburgh Bureau of Police continues to strengthen law enforcement partnerships in the Pittsburgh area by offering our expertise in canine training. In 2010 we offered training assistance (initial & in-service) to 12 Dog Teams from outside agencies.

## **Support Services:**

Support Services manages the Bureau's property room, Court Liaison Unit, information systems liaison and the Central Reports & Records Unit (CRRU). Sworn personnel who work in the Office of Municipal Investigations are assigned to Support Services for payroll and personnel management functions.

**Property/Supply Room** The Property/Supply Room is where citizens go to recover property that had been seized as evidence in a case and where employees of the Bureau of Police go to get general supplies police uniforms and equipment.

The following rules apply:

- Any property, the ownership of which is not disputed and which is not required as evidence, may be turned over to the rightful or lawful owner by the officer in charge of the zone or unit concerned. A receipt in duplicate signed by the owner shall be obtained.
- Property held as evidence shall not be disposed of or released unless the case has been disposed of by the Court or its release has been authorized by the commanding officer of the zone or unit concerned, subject to the approval of the Chief of Police.
- Property held as evidence which is of a perishable nature or is such that it is urgently needed by its owner may be released only by authorization of the commanding officer of the zone or unit concerned. Under these circumstances, the evidence shall be photographed before releasing it.
- No weapon may be recovered from the Property Room after same has been used to commit a felonious crime or act of violence.
- No weapon shall be returned to any claimant unless the person first obtains a "Court Order" directing the return of the particular weapon.

Evidence that is held at the Property Room will only be released under one of the following listed circumstances:

- Court Order – Property is to be picked up and signed for by the person named on the court order;
- Needed for Court;
- Release to Owner – Owner must sign for and pick up the property at the Property Room;
- Income Tax Levy;
- Federal authorities when they assume jurisdiction in a case;
- Items to be sent to another police agency.

In 2010, the Property Room:

- Processed, warehoused and maintained chain-of-custody of 3,401 numbered cases.
- Destroyed over 900 weapons.
- Deposited \$284,879.45 (2008 monies)\*.
- Collected \$909,333 in 2010 with \$612,068 currently on-hand.\*\*
- Turned in \$220,000 in U.S. currency.

*\*Deposits made following external audits of property room, 2008 is the most recent year eligible for deposit.*

*\*\*Difference between collected and on-hand values reflects monies released from police custody.*

**Central Records and Reports Unit** The CRRU consists of the Record Room, the Warrant Office and the Telephone Reporting Unit.

The Record Room is where the public obtains copies of reports. Normal hours of operation are Monday through Friday from 8:00 a.m. to 3:45 p.m. hours and are closed on City holidays. The phone number for the CRRU Records is 412-255-2920 and 2921. The Records area is located on the third floor of the Pittsburgh Municipal Courts Building, 660 First Ave, Pittsburgh PA 15219. Reports are obtainable in person or by mail with proof of identification.

- The public is entitled to all 2.0 reports (Incident report - a summary of incidents reported to the police); the cost of a report is currently set at \$15.00 (as of October 8, 2007).
- The public does not have access to 3.0 reports (Investigative reports) with the following exceptions:
  - 1) The victim/s of a hit run report can obtain a 3.0
  - 2) The victim/s of a burglary or robbery can obtain a list of the items they report taken during the time of a crime. They do not receive the narrative of the investigation.
  - 3) The victim/s of a theft or fraud can obtain a copy of the items that they list as taken during the time of the crime. They do not receive the narrative of the investigation.
  - 4) The victims of identity theft.
- Persons involved in an accident can obtain copies of the reports. Price will be determined by accident.

#### Record Room Statistics:

- 69,822 reports processed,
- provided front counter service:
  1. processed 5,182 mail inquiries,
  2. serviced 2,677 on-site customer requests,
  3. answered/resolved 65,006 telephone requests.
- Conducted records processing cost recovery totaling \$121,231.00.

The CRRU also perform the following critical functions that the public does not see:

- Processes all arrests for city officers.
- The TRU is a unit where civilian personnel take specific police reports by phone which keeps officers in the field available to respond to higher priority calls for service.
- Processes (through coding and data entry) of police reports, records and other document for the Bureau.
- Performs quality control of data and final review of police reports for Uniform Crime Report (UCR) coding.
- Processes court ordered expungements.
- JNET Tac Officer (liaison officer with the State for access to criminal background checks) is assigned to the CRRU to manage our JNET/NCIC/CLEAN operations for the Bureau.
- Maintains a list of active warrants.

In 2009 TRU had 9,828 calls dispatched, 7,667 reports taken and 2,161 calls that were sent back due to the seriousness of the call.

**Court Liaison Unit:** The Court Liaison Unit consists of police supervisors and clerical staff assigned to the Criminal/Juvenile Courts and well as the Municipal Courts to act as a liaison between the various

county agencies, Court Administrator's Office, DA's Office, Public Defender's Office and the various private agencies involved in court proceedings and processes. The Court Liaison supervisors:

- Ensure constant communications among the various agencies for successful prosecution and positive outcomes.
- Manages court time for officers.
- Assigns a liaison officer to Traffic Court for disposition of traffic citations.
- Logs and processes traffic/non-traffic citations generated by city officers through the courts.

**Computer Liaison Unit:** Computer Liaison Unit works directly with City Information Systems to develop, implement and maintain the various computer systems and applications being used by the Bureau. (*see Priorities and Initiatives section for project descriptions*)

**Summary Warrant Squad:** The Summary Warrant Squad (SWS) is comprised of four uniformed officers and one sergeant whose mission is to address outstanding summary warrants in which violators have failed to respond to the courts to answer for their violations.

In 2010, The SWS cleared 982 warrants in person and brought to Arraignment Court \$87,669.00 cash as collateral and guilty plea collections. The SWS also cleared 1,094 warrants via notices resulting in collections of \$153,650.50 after the cases have been adjudicated.

Additionally, the S.W.S. cleared 934 warrants. Not all of those cases have been to trial yet, but, so far, those that have been adjudicated have resulted in fines totaling \$104,873.00.

## Investigations Branch

The Investigations Branch provides dedicated law enforcement support to the investigation and clearance of crimes against persons and property. It is made up of two Divisions: Major Crimes and Narcotics, Vice & Firearms Tracking. Members of the Investigations Branch are responsible for the investigation of criminal offense, the detection, arrest & prosecution of criminal and the recovery of lost/stolen property for return to its rightful owner.

**The Major Crimes Division** consists of the following squads:

### **Arson (412-937-3078):**

The Uniform Crime Reporting (UCR) Program defines arson as any willful or malicious burning or attempting to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

### **Auto (412-255-2911):**

The Uniform Crime Reporting (UCR) Program defines motor vehicle theft as the theft or attempted theft of a motor vehicle. In the UCR Program, a motor vehicle is a self-propelled vehicle which runs on land surfaces and not on rails. Examples of motor vehicles include sport utility vehicles, automobiles, trucks, buses, motorcycles, motor scooters, all-terrain vehicles, and snowmobiles. Motor vehicle theft does not include farm equipment, bulldozers, airplanes, construction equipment or water craft such as motorboats, sailboats, houseboats, or jet skis. The taking of a motor vehicle for temporary use by persons having lawful access is excluded from this definition

### **Burglary (412-323-7155):**

The Uniform Crime Reporting (UCR) Program defines burglary as the unlawful entry of a structure to commit a felony or theft. To classify an offense as a burglary, the use of force to gain entry need not have occurred. The Program has three sub-classifications for burglary: forcible entry, unlawful entry where no force is used, and attempted forcible entry. The UCR definition of "structure" includes, for example, apartment, barn, house trailer or houseboat when used as a permanent dwelling, office, railroad car (but not automobile), stable, and vessel.

### **Computer Crimes:**

Detectives assigned to Computer Crimes are responsible for searching and securing all digital forensic evidence and for the proper preparation for transportation and recovery of digital forensic data. Detectives are members of High Tech Regional Task Force and the Financial Crimes Task Force.

### **Homicide (412-323-7161):**

The Uniform Crime Reporting (UCR) Program defines murder and non-negligent manslaughter as the willful (non-negligent) killing of one human being by another. The classification of this offense is based solely on police investigation as opposed to the determination of a court, medical examiner, coroner, jury, or other judicial body. The UCR Program does not include the following situations in this offense classification: deaths caused by negligence, suicide, or accident; justifiable homicides; and attempts to murder or assaults to murder, which are scored as aggravated assaults.

### **Mobile Crime Unit (412-323-7131):**

Crime scene investigators are responsible for conducting a thorough search of all major crime scenes in order to identify document, collect, and preserve all physical evidence.

**Night Felony (412-323-7147):**

The Night Felony Unit investigates crimes and processes crime scenes that occur between the hours of midnight and 8:00 am.

**Robbery (412-323-7151):**

The Uniform Crime Reporting (UCR) Program defines robbery as the taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

**Sex Assault and Family Crisis (SAFC) and Missing Persons (412-323-7141):**

Forcible rape, as defined in the Uniform Crime Reporting (UCR) Program, is the carnal knowledge of a female forcibly and against her will. Assaults and attempts to commit rape by force or threat of force are also included; however, statutory rape (without force) and other sex offenses are excluded.

How is a missing child defined? By law (specifically the 1982 Missing Children's Act), it's any person younger than 18 whose whereabouts are unknown to his or her legal custodian. Under the act, the circumstances surrounding the disappearance must indicate that the child was removed from the control of his or her legal custodian without the custodian's consent, or the circumstances of the case must strongly indicate that the child is likely to have been abused or sexually exploited.

Pursuant to the provisions of Pennsylvania's Megan's Law, 42 Pa.C.S. § 9791, the Pennsylvania's General Assembly has determined that public safety will be enhanced by making information about registered sex offenders available to the public through the Internet. Knowledge whether a person is a registered sex offender could be a significant factor in protecting yourself, your family members, or persons in your care from recidivist acts by registered sex offenders. Public access to information about registered sex offenders is intended solely as a means of public protection. Information concerning Megan's Law may be found at: <http://www.pameganslaw.state.pa.us/EntryPage.aspx>

A hate crime is a criminal act or attempted act against a person, institution, or property that is motivated in whole or in part by the offender's bias against a race, color, religion, gender, ethnic/national origin group, disability status, or sexual orientation group.

The SAFC Unit investigates all sexual offenses, child abuse cases, child abductions/attempted abductions, Megan Law violators, missing person cases and hate crimes. Sex Assault and Family Crisis investigates all sexual offenses, all child abuse cases, child abductions or attempted abductions, hate crimes and Megan's Law violations.

The Missing Persons Unit investigates all missing person cases for the city of Pittsburgh

**Witness Protection Program (412-323-7843):**

Witness protection provides temporary/permanent relocation and security to material witnesses and/or victims who testify against criminals who commit violent crimes.

**The Narcotics/Vice & Firearms Tracking Division (412-323-7161)** is committed to investigating and enforcing local, state and federal laws as they apply to individuals and organizations that may be responsible for the possession, sale, manufacture and/or distribution of any illegal, illicit or unlawfully possessed controlled substance or firearm within the City of Pittsburgh. The unit also enforces laws and ordinances as they apply to illegal nuisances within the City including but not limited to: illegal gambling, illegal lotteries, nuisance bars, prostitution and other related offenses. The Division consists of the following squads/units:

**Asset Forfeiture:** Responsible for the seizure of money and property that was obtained or purchased through illegal activities.

**Weed & Seed:** Is a comprehensive joint law enforcement and community investment strategy designed to help make communities safer.

**Impact:** The Impact Squads concentrate on the street level distribution of illegal drugs and guns with a strong emphasis on gangs and high crime neighborhoods.

**Investigations:** The Investigative Units are responsible for investigating the use and distribution of all controlled substances within the City of Pittsburgh

**Firearms Tracking:** Responsible for investigating the origin of all firearms seized by the Pittsburgh Police. Narcotics/Vice and Firearms Tracking personnel respond to the needs of the community by attending community meetings, conducting drug and firearm safety presentations to schools and community groups. They respond whenever requested to spread the message of the devastation created by the use and distribution of illegal drugs and guns.

**Vice:** Investigations center on prostitution, illegal gambling and nuisance bars. Additionally, detectives assigned to the Narcotics & Vice unit work in conjunction with various local, state and federal agencies to network and share resources that can allow for the enforcement of narcotics and firearms violations on these levels when appropriate.

## Operations Branch

The Operations Branch is comprised of 603 officers deployed in six (6) geographic Zones throughout the City of Pittsburgh, as well as the Citywide Special Deployment Division (SDD). The number of officers assigned to each Zone is based on a number of factors; including, the current staffing level of the Bureau of Police, geographic size of the Zone, demographics within the Zone, criminal activity and calls for service.

The number of Police Officers assigned to each Zone also includes the management, supervisory and investigative positions of Commander, Lieutenant, Sergeant and Plainclothes Detective. Each Zone's Plainclothes Detectives supplement the work of the Investigations Branch Detectives within their respective Zones and are deployed as follows:

- Zone 1 - 6
- Zone 2 - 6
- Zone 3 - 6
- Zone 4 - 6
- Zone 5 - 4
- Zone 6 - 4

Each Zone, led by an experienced Commander, is responsible for maintaining the peace in their respective geographic area (Zone); ensuring adequate Operations Branch personnel are available and prepared to meet the daily challenges of each and every shift; preparing and executing plans and strategies to immediately deal with emerging criminal trends and patterns; and coordinating with members of the community and other government agencies to address all criminal activity – from serious, violent crime to nuisance, quality of life crimes.

The Special Deployment Division (SDD) is comprised of a number of highly trained Specialty Units; including, the Motorcycle Unit, Street Response Unit, Collision Investigation, Commercial Vehicle Enforcement, Tow Pound, Impaired Driver Section, SWAT, River Rescue and the Graffiti Unit. The mission of SDD officers is to provide a rapid city-wide response to specific incidents while continually supporting their colleagues in the Zones on a daily basis. Officers assigned to SDD - equipped with specialized training and equipment – work in teams to resolve a wide spectrum of complex and time sensitive problems, which greatly adds to the quality of life in affected areas.

### Average Number of Personnel On-Hand per Shift

Surveys were taken of all our police zones staffing in January (statistical period of lower crime) and July (statistical period of higher crime). The results of these surveys were used to calculate average staffing level of a zone for one shift.

|                   |      |
|-------------------|------|
| ● Police Officers | 12.8 |
| ● Detectives      | 2.8  |
| ● Sergeants       | 1.2  |
| ● Lieutenants     | 0.5  |

Sergeant-to-Officer ratio - 1:11

**Special Deployment Division:** The Special Deployment Division (SDD) consists of support units that provide specially trained and equipped officers to handle a variety of assignments and tasks throughout the City. SDD has the following disciplines: Traffic Division, Collision Investigation Unit, Commercial Motor Vehicle Enforcement Unit, SWAT, River Rescue, Impaired Driving Unit (which includes the DUI Task Force and Drug Recognition Expert (DRE) programs), Car Seat Inspection and Education Station, Tow Pound Unit, and the Graffiti Task Force. In addition to the normal duties, SDD is also responsible for coordinating over \$500,000 dollars in highway safety related grants that provide additional enforcement activities throughout the City of Pittsburgh. These grants allow the PBP to use enforcement and education to help reduce crashes and fatalities on our roadways that are the result of unsafe commercial vehicles and impaired and aggressive drivers.

*Motorcycle Unit:* For the year 2010, there were twenty-nine officers assigned to motorcycle duties. Of that number, there was one lieutenant, four sergeants, and twenty-four police officers.

During 2008, the motorcycle unit was able to replace and increase the assigned fleet. The unit is now riding 2008 Harley Davidson Electra Glides. For the first time, the motorcycles are black and white. 2008 also brought a return of sidecars for use during the winter months. New radios were purchased replacing those in use since 1989. The motorcycle fleet now consists of thirty 2008 Electra Glides as the primary assigned unit and five 2005 Road Kings that are maintained as spare and training motorcycles.

The primary duties of the motorcycle officers are traffic enforcement and the management of major civic events. The AM motorcycle officers are assigned to both the downtown area for morning rush hour, and to school zones for speed enforcement. The split shift officers are assigned to speed enforcement details and then to PM rush hour in the downtown area. The PM officers are assigned to afternoon rush hour, and then to speed enforcement. While not detailed to enforcement, all motorcycle officers are assigned to zone patrols. Areas for speed enforcement and school zone enforcement are directed by complaints. All complaints received thru the 311 system, zone commanders, community meetings, city council requests, or any other source are responded to, and then followed up with a written response to the SDD commander. Weekly reports of enforcement are forwarded to the Command Staff on a weekly basis.

Motorcycle officers are assigned to all major events within the city. Games and concerts at Heinz Field, PNC Park, and the Mellon Arena are manned with motorcycle officers. Officers work the traffic take and break of the event, and then provide patrols in the area during the time of the event. Officers manned parades, festivals, and community public safety events. Motorcycle officers provided escorts for all dignitaries that visited the city. Officers provided funeral escorts for retired officers who passed away, as well as for the family members of other police officers upon request. Motorcycle officers also assisted other SDD units by providing manpower to fill vacant shifts, such as river rescue, truck safety, and crash investigations as needed.

*Traffic Control and Enforcement Conducted by the Motorcycle Unit*

| <u>Parkers</u> | <u>Movers</u> | <u>Traffic Stops</u> | <u>Tows</u> | <u>Calls</u> |
|----------------|---------------|----------------------|-------------|--------------|
| 7,686          | 12,758        | 11,277               | 3,498       | 19,838       |

*Commercial Motor Vehicle Enforcement Unit:* The primary function of the Commercial Motor Vehicle Enforcement Unit is to ensure that all drivers and commercial motor vehicles being operated on the roadways are in compliance with all safety regulations set forth by the Federal Motor Carrier Safety Administration (F.M.C.S.A.) as well as all state and local laws. Inspectors conduct roving patrols and stationary checkpoints throughout the City of Pittsburgh and also assist state and other local agencies upon the request. Additionally, a (MCSAP) inspection is required on all commercial motor vehicles that are involved in a fatal collision. We currently have 5 trained general hazardous materials inspectors and 8 certified motor coach inspectors.

In 2010, the unit completed 158 checkpoints, 1,538 commercial vehicle inspections, 55 aggressive driving details (resulting in 529 vehicle stops).

Collision Investigation Unit (CIU): The Collision Investigations Unit consists of thirteen traffic officers and one sergeant who are responsible for investigating all collisions that involve fatalities and/or critical injuries. Officers also respond to and investigate all reportable crashes involving a city police vehicle. In 2010, forty-six collisions resulting in 22 fatalities, 25 critical injuries and 13 minor injuries were investigated. Seventy-nine vehicles were given a state safety inspection by our six certified State Inspection Mechanics.

Abandoned Vehicles: The primary goal of this section is to remove abandoned vehicles as quickly as possible in a legal manner so as to improve neighborhoods from blight and safety hazards. There were 1,600 abandoned vehicles investigated in 2010 resulting in 934 tows, 566 vehicles discovered having been moved, 21 vehicles moved to private property after receiving notice and 79 brought up to vehicle code.

SWAT Team/Tactical Operations Section (TOS): The primary mission of the Pittsburgh Bureau of Police SWAT Team is to provide a quick and tactical response to critical incidents. The Pittsburgh Bureau of Police recognizes that it is essential to the safety of its citizens that a highly trained and highly skilled tactical team be properly manned and available if the need arises to handle critical incidents. There were 120 deployments of the unit 2010. Breakdown of deployments:

| <u>Type of Incident</u>      | <u>Count</u> |
|------------------------------|--------------|
| Hostage Situations           | 3            |
| Barricaded Persons           | 19           |
| High Risk Warrant Service    | 73           |
| Marksman/Observer Operations | 7            |
| Tactical Support             | 14           |
| Dignitary Protection         | 1            |
| <u>Mutual Aid Region 13</u>  | <u>3</u>     |
| <b>Total Deployments</b>     | <b>120</b>   |

River Rescue Police Boat Operators: River Rescue provides enforcement on the rivers for all boating laws. Officers are involved in Homeland Security patrols for major events. Officers provide support for EMS divers in response to medical calls/rescues as well as the Underwater Hazardous Device Diver Team which is made up of Police and EMS divers.

Breath Testing Unit: The Breath Testing Unit assists in the investigation and prosecution of impaired drivers throughout the City. In addition to administering various impairment tests to determine the level of intoxication of drivers, these officers also respond to the various hospitals in the area to have blood drawn during the investigation of alcohol or drug related crashes. The officers in this section administer an average of 121 impairment tests every month. When not involved in the investigation of impaired driving, these officers are also specially trained in crash investigation, drug recognition and evaluation and training. Most importantly, when not occupied with their specialized duties, these officers patrol the streets of the City proactively enforcing traffic laws in problem areas that have been identified by either the community or the zone officers. Pittsburgh Bureau of Police Breath testing is available to other municipal police agencies, university police departments and the PA Fish and Boat Commission. Sub-categories of the Breath Testing Unit include Drug Recognition Experts (DRE) and the DUI Task Force (which include DUI checkpoints). The Pittsburgh Police arrested or assisted other agencies in the arrests of 1,028 people for impaired driving in 2010.

*2010 Statistics for the DUI Task Force*

|                          |                     |                                  |
|--------------------------|---------------------|----------------------------------|
| Grant funding: \$182,865 | 102 DRE evaluations | 120 arrests for impaired drivers |
| 10 checkpoints           | 8,513 traffic stops | 44 arrests for other violations  |

29 roving patrols                                      691 warnings issued                                      1,059 traffic citations issued  
 7 mobile awareness patrols                                      144 vehicles towed

Click It or Ticket and Smooth Operator Grants: In 2010, SDD performed numerous Click It or Ticket (Buckle Up) and Smooth Operator (Aggressive Drivers) Campaigns and received \$91,000 in grant monies.

We utilize safety checkpoints, seatbelt minicade details, and traffic enforcement patrols for the Buckle Up campaign. 2010 Buckle Up statistics:

| <u>Type of Incident</u>        | <u>Count</u> |
|--------------------------------|--------------|
| Officer contacts               | 4,412        |
| Occupant protection violations | 86           |
| Speeding citations             | 172          |
| Other moving citations         | 418          |
| Driving under suspension       | 21           |
| Equipment citations            | 50           |
| Other arrests                  | 6            |

The Aggressive Driving program is zero tolerance enforcement for aggressive driving. It was set up over four different time periods during the year. Our agency utilized stationary speed enforcement and mobile traffic enforcement activities on state route 19 (Banksville Road, West Liberty Avenue, Marshall Avenue) and state route 51 (Saw Mill Run Boulevard, West Carson Street) at the request of PennDOT. Aggressive Driving program statistics:

| <u>Type of Incident</u>        | <u>Count</u> |
|--------------------------------|--------------|
| Speeding citations             | 1,364        |
| Careless/Reckless driving      | 24           |
| Other moving citations         | 3,508        |
| Occupant protection violations | 301          |
| Driving under suspension       | 98           |
| Equipment violations           | 559          |
| Various arrests                | 14           |

Child Occupant Protection Education Station (COPES): The COPES program at SDD is operational on Fridays from 0900-1500 and educated over **400** parents in 2010 on the proper installation of car seats and child/passenger seat safety.

Also, Pittsburgh Police Child Passenger Safety (CPS) technicians assist other Agencies in the region on a monthly basis by conducting Car Seat Checks at their facilities. The average number of appointments in those 4 hour events is 28, with a maximum of 32. Pittsburgh Police host one of these monthly checks at the Home Depot in East Liberty every July. We also co-sponsor a check with Pittsburgh Bureau of EMS every February.

Graffiti Task Force: The Pittsburgh Bureau of Police Graffiti Task Force was created in 2006 with three plainclothes detectives assigned to address the escalation of graffiti. Prior to the creation of this specialized unit, graffiti prosecution was a daunting challenge as the graffiti “tags” had not been linked for criminal cases. Results of the Graffiti Task Force efforts in 2010:

| <u>Type of Incident</u>          | <u>Count</u> |
|----------------------------------|--------------|
| Felony arrests                   | 6            |
| M2 arrests                       | 6            |
| Zone arrests assistance provided | 7            |
| Graffiti reports received        | 243          |
| Reports cleared by arrests       | 56           |
| Initial restitution              | \$61,800     |

## **Calls for Service, 2010**

**Due to a change in the Allegheny County Emergency Operations Center computer aided dispatch (CAD) system in 2010, data on calls for service is not available. Data for year 2011 will be included in next year's report.**

# Crime in the City of Pittsburgh

**Crime Statistics:** Crime statistics can be misleading as they only represent reported crime. In some areas residents do not report crime and in others, almost all crime is reported. Reporting also varies greatly by type of crime; while most violent crime is reported; minor property crimes are often not reported.

In general, crime is a deviant act that violates a law. Those laws can be federal, state, and/or local laws.

Crimes are separated into two categories (Parts) within the federal Uniform Crime Reporting (UCR).

**Caution Against Comparisons:** Some entities use reported crime figures to compare neighborhoods within the City. These neighborhood comparisons provide no insight into the numerous variables that mold crime in a particular area. Simplistic comparisons based only upon crimes that occur in an area do not take into account the fixed population, the transient population, the factors that lead to a particular crime (such as an area with a high density of parking lots may have more occurrences of thefts from vehicles), the geography and other factors that impact crime. Consequently, they lead to simplistic and/or incomplete analyses that often create misleading perceptions adversely affecting communities and their residents. Valid assessments are possible only with careful study and analysis of the range of unique conditions affecting each neighborhood.

**Part I Crimes:** Part I Crimes are eight main offenses used to gauge the state of crime in the United States. These offenses are:

## Crimes Against People

Homicide  
Forcible Rape  
Robbery  
Aggravated Assault

## Crimes Against Property

Burglary  
Larceny-Theft  
Motor Vehicle Theft  
Arson

# Part I Crimes by Year Since 1966

(does not include arsons)

# Homicides in the City of Pittsburgh, 2010

1. Total Homicides:.....57

Most homicides in the City of Pittsburgh occurred in the late summer/early fall on weekends in the late evening/early morning hours (see data below). Firearms were the weapon of choice and most homicides were associated with other criminal activity (drugs, robbery and retaliations). The average victim was a 33 year old black man with some involvement in crime (victims with a record of prior criminal charges averaged 3.79 drug charges, 0.71 gun charges and 4.64 other type charges). The average offender was a 29 year old black man with some involvement in crime (offenders with a record of prior criminal charges averaged 2.12 drug charges, 0.85 gun charges and 6.12 other type charges). Thirty of the 57 homicides were cleared by either arrest or exceptionally cleared (1 homicide exceptionally cleared with no arrest as offender committed suicide) resulting in 38 arrests. The average time to clear cases for these thirty cases was 20 calendar days.

2. Homicides by Time Unit Review: In 2010, homicides increased by 17 from the 2009 level of 40 (a 42.5% increase). The 2010 homicides of 57 are slightly higher than the 10 year average homicide rate of 56 (1.79% over the average) and are slightly lower than the median homicide rate of 57.5 (0.89% below the median). Ten years of homicide data are shown below:

**Homicides (10 Years)**

Homicides by Month of Year: In the first six months of the years (January – June), the average homicide rate is 3.33 homicides per month (slightly less than one homicide a week). The next five months showed a sharp increase in the monthly homicide rate. The only exception to this spike was October, 2010 in which there were no homicides. The average homicide rate for July, August, September and November is 8.25 homicides per month (slightly greater than two homicides per week).

**2010 Homicides by Month**

Notes on Single Homicides (for chart above):

- (1) Death happened in April 2010, attack occurred in November 2009.
- (2) Death happened in July 2010, attack occurred in September 2008.
- (3) Death happened in July 2010, attack occurred in June 2010.
- (4) Death happened in August 2010, attack occurred in July 2010.
- (5) Death happened in December 2010, attack occurred in December 2009.

Homicides by Day of Week: Homicides by day of the week indicate that most homicides occur on the weekends. This trends starts on Saturdays and extends into the early morning hours of Mondays.

**2010 Homicides by Day of Week**

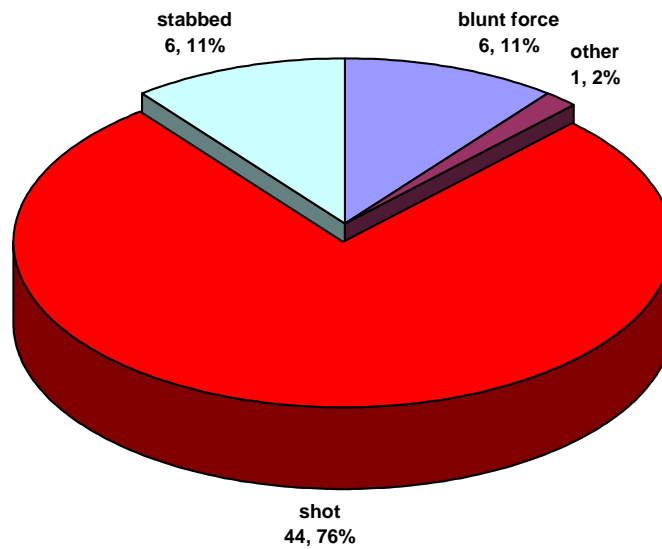

Homicides by Time of Day: Most homicides (73%) occur during the late evening and early morning hours.

### 2010 Homicides by Time of Day

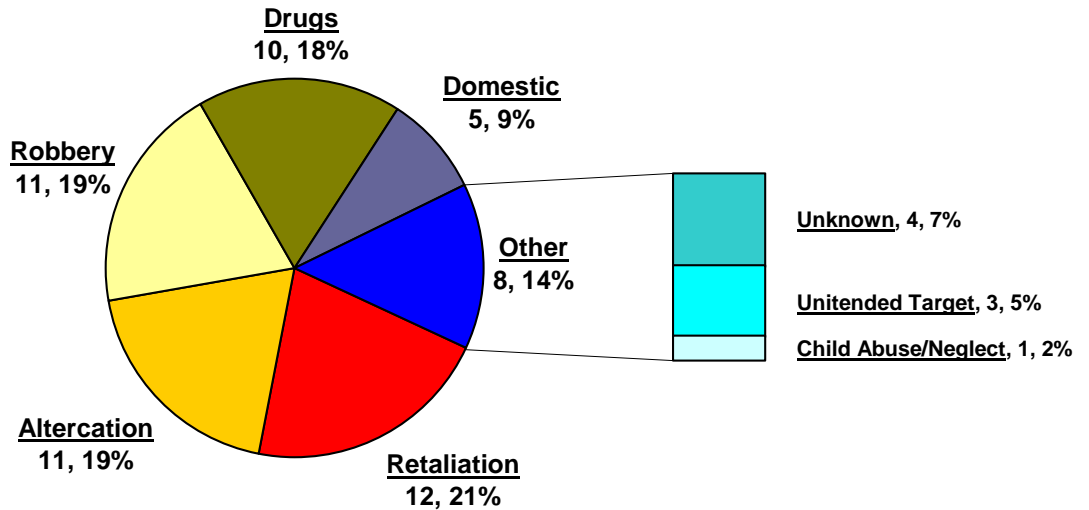

3. Homicide – Cause of Death: The majority of homicides (44, 76%) were caused by being shot by a firearm. There was one case of smothering an infant.

### Weapon Used in Homicides

4. Homicide – Motives:

**2010 Homicides by Motive**

5. Homicide – by Location: Most homicides (68.4%) in the City occurred in an area starting in Pittsburgh’s Northside extending through the Hill District going through East Liberty & Homewood and ending in the East Hills.

6. Gender, Race and Age:

| <u>Race</u> | <u>Victim Gender</u> |             |
|-------------|----------------------|-------------|
|             | <u>Female</u>        | <u>Male</u> |
| Black       | 6                    | 40          |
| Hispanic    | 0                    | 2           |
| White       | 3                    | 6           |

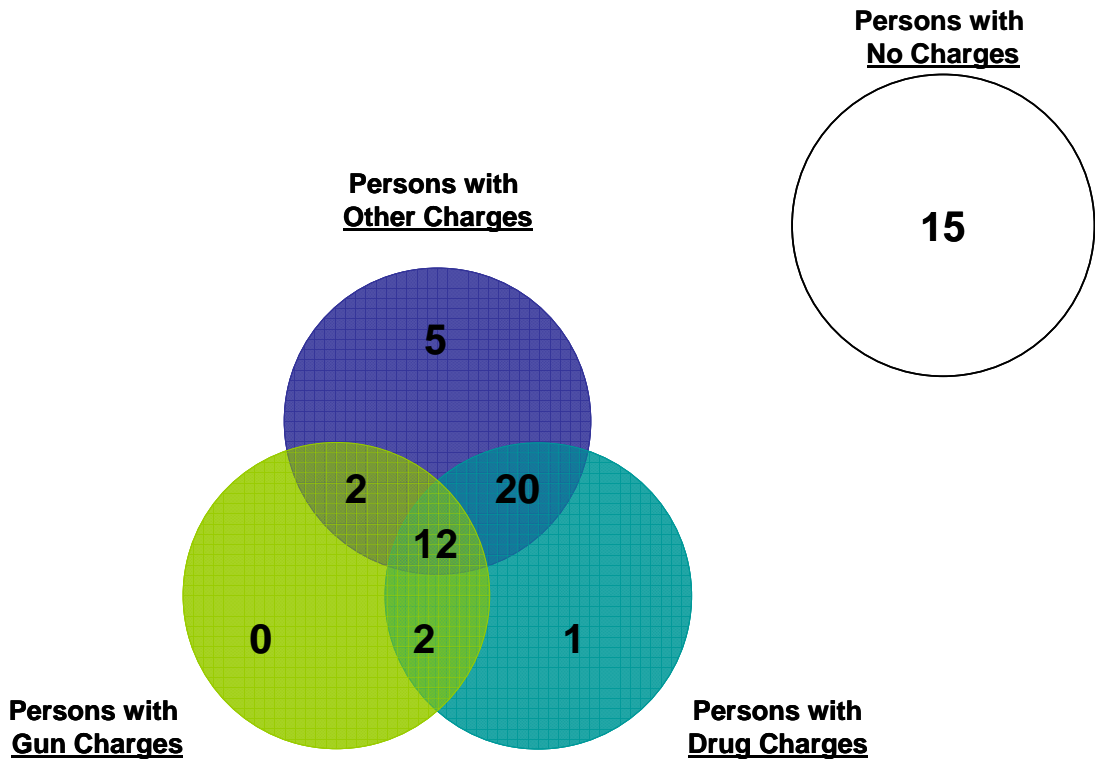

The average age of homicide victims is 33. The youngest victim was 5 weeks old and the oldest was 73 years old.

| <u>Race</u> | <u>Offender Gender</u> |             |
|-------------|------------------------|-------------|
|             | <u>Female</u>          | <u>Male</u> |
| Black       | 3                      | 32          |
| Hispanic    | 0                      | 1           |
| White       | 0                      | 3           |

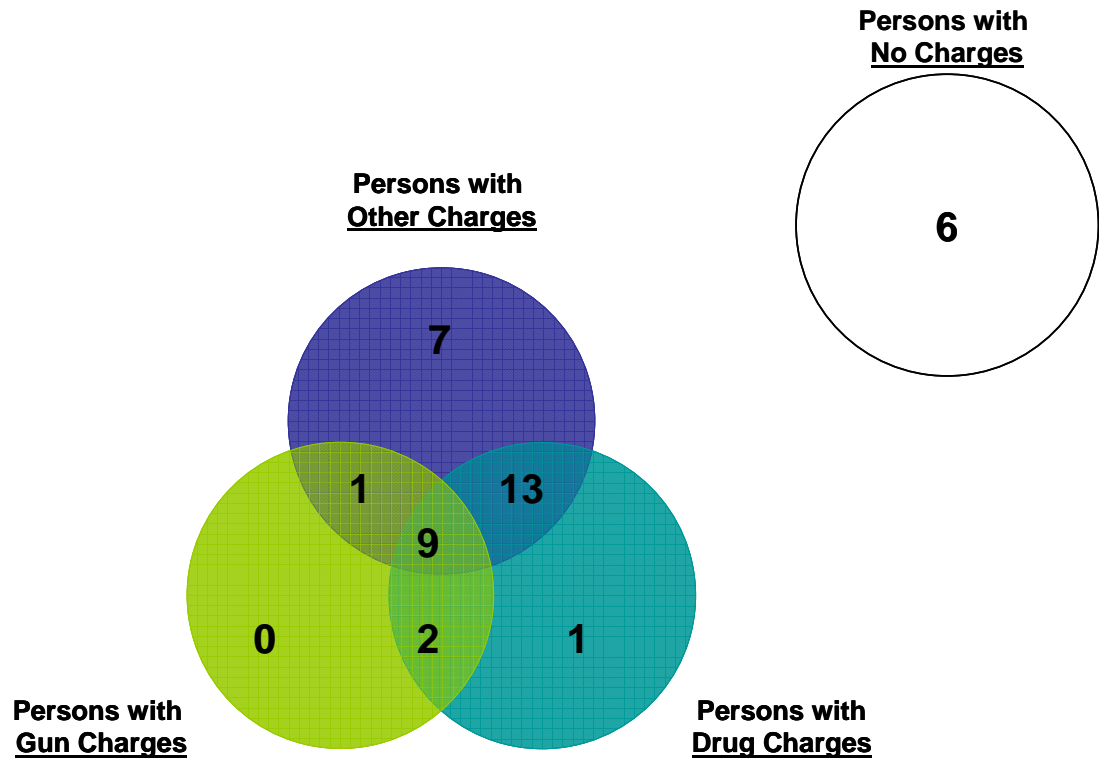

The average age of offenders is 29. The youngest offender was 15 and the oldest was 55 years old.

7. Prior Involvement with Crime:

Of the 57 victims of homicide, 42 had prior involvement with crime. Breakdown of victim involvement with crime is shown in the Venn diagram below:

Of the 39 homicide offenders, 33 had prior involvement with crime. Breakdown of offender involvement with crime is shown in the Venn diagram below:

| 9                          | 5                |
| 10                         | 3                |
| >10                        | 7                |

6. Charges Cleared by Arrest: With the 14,714 arrests, there were 23,616 charges cleared. Charges cleared by the year the offense occurred are shown below:

| <u>Year</u> | <u>Charges Cleared by Arrest</u> |
|-------------|----------------------------------|
| 1976        | 2                                |
| 2002        | 2                                |
| 2003        | 3                                |
| 2004        | 2                                |
| 2005        | 3                                |
| 2006        | 5                                |
| 2007        | 40                               |
| 2008        | 126                              |
| 2009        | 1,728                            |
| 2010        | 21,705                           |

7. Violation of Uniform Firearms Act (Illegal Firearms) Arrests: In 2010, there were 496 violations of the VUFA as either a primary or secondary charge. Of those 496 violations, the distribution of violations by number of offenders is:

| <u># of VUFA Violations</u> | <u># of Offenders</u> |
|-----------------------------|-----------------------|
| 1                           | 411                   |
| 2                           | 23                    |
| 3                           | 10                    |
| 4                           | 1                     |
| 5                           | 1                     |

The following table provides a count of weapons seized as a result of VUFA related arrests:

| Caliber      | Type       |           |            |           | Total      |
|--------------|------------|-----------|------------|-----------|------------|
|              | Revolver   | Rifle     | Semi-Auto  | Shotgun   |            |
| 0.22         | 12         | 6         | 22         | 0         | 40         |
| 0.223        | 0          | 1         | 0          | 0         | 1          |
| 0.226        | 1          | 0         | 0          | 0         | 1          |
| 0.25         | 1          | 0         | 26         | 0         | 27         |

| Mobile Field Force  | 14          | 0           | -100.00%       |
| <b>Totals</b>       | <b>1468</b> | <b>1329</b> | <b>-9.47%</b>  |

The highest number of use of force incidents occurred in the following areas:

- Southside Flats, census tract 1702 with 67 incidents resulting in a total of 113 subject resistance reports
- Central Business District, census tract 201 with 27 incidents resulting in 44 subject resistance reports

- North Shore, census tract 2205 with 17 incidents resulting in 29 subject resistance reports

The most common resisting subjects encountered by officers in 2010 were males, aged 20-29. The second highest resisting group were males, aged 30-39 (Table #5).

**Table 5: Resisting Subjects by Gender and Age**

|        | Under 15 | 15-19 | 20-29 | 30-39 | 40-49 | Over 50 | Unknown Age |
|--------|----------|-------|-------|-------|-------|---------|-------------|
| Male   | 6        | 92    | 332   | 94    | 66    | 30      | 72          |
| Female | 1        | 19    | 45    | 20    | 16    | 16      | 17          |

### Force/Control Options

In responding to subject resistance, police officers employ a continuum of control. The continuum of control aids officers in determining whether a particular control option constitutes a reasonable method of control under a given set of facts and circumstances. The three most frequently used options in 2010 were forcible handcuffing, takedowns and attempts to control resisting subjects by grabbing, pushing, or pulling (categorized as “Other”). These were also the most frequently used levels in 2009 (please see Table #6 for a comparison of 2009 to 2010). The TASER was used a total of 211 times during 2010 which was a 0.5% decrease in usage when compared to 2009. It should be noted that the most frequent levels of force have been and continue to be at the lower end of the continuum of control.

**Table 6: Force Option Comparison 2009-2010**

|                          | 2009 | 2010 | Percent Change |
|--------------------------|------|------|----------------|
| Forcible Handcuffing     | 731  | 626  | -14%           |
| Takedowns                | 463  | 439  | -5%            |
| TASER                    | 212  | 211  | 0%             |
| Personal Weapons         | 275  | 219  | -20%           |
| Other (grab, push, pull) | 460  | 481  | 5%             |
| ODET                     | 50   | 32   | -36%           |
| Neck Restraint           | 5    | 4    | -20%           |
| OC Spray                 | 23   | 62   | 170%           |
| Impact Weapons           | 51   | 45   | -12%           |
| Maximal Restraint        | 11   | 1    | -91%           |
| Road Spikes              | 2    | 0    |                |
| Canine                   | 11   | 20   | 82%            |
| Firearms                 | 35   | 18   | -49%           |
| Use of Vehicle           | 1    | 2    | 50%            |
| Less Lethal Rounds       | 4    | 1    | -300%          |

### Subjects' Level of Resistance

Table #7 provides a monthly and yearly breakdown of the levels of resistance employed by resisting subjects against officers.

**Table 7: Level of Resistance Employed by Subject**

| Year      | Body Language |      | Verbal Non-compliance |      | Active Resistance |      | Assaultive Behavior |      | Deadly Force |      |
|-----------|---------------|------|-----------------------|------|-------------------|------|---------------------|------|--------------|------|
|           | 2010          | 2009 | 2010                  | 2009 | 2010              | 2009 | 2010                | 2009 | 2010         | 2009 |
| January   | 103           | 74   | 62                    | 50   | 100               | 74   | 48                  | 33   | 2            | 3    |
| February  | 72            | 90   | 62                    | 58   | 74                | 94   | 36                  | 38   | 3            | 9    |
| March     | 76            | 136  | 42                    | 89   | 75                | 135  | 22                  | 59   | 2            | 2    |
| April     | 84            | 98   | 54                    | 64   | 86                | 97   | 45                  | 48   | 1            | 26   |

### Initial Reasons for Use of Force/Control

Table #8 is a comparison of 2010 to 2009 of the initial reasons for officers having to use force/control against resisting subjects.

**Table 8: SRR Incidents by Initial Reason for Use of Force**

| Year          | Defend Self    |            | Defend Another |            | Restrain for Subject's Safety |            | Effecting Arrest |             | Other Other    |            |
|---------------|----------------|------------|----------------|------------|-------------------------------|------------|------------------|-------------|----------------|------------|
|               | 2010           | 2009       | 2010           | 2009       | 2010                          | 2009       | 2010             | 2009        | 2010           | 2009       |
| January       | 48             | 30         | 32             | 23         | 10                            | 7          | 106              | 72          | 8              | 11         |

### Firearms Review

There were 70 firearms discharges reviewed in 2010. Eighteen officers fired their weapons in self-defense in 15 separate incidents involving 13 actors. One officer was seriously wounded. Three actors were fatally shot, 6 were injured and 2 actor injuries are unknown. One officer fired less lethal rounds. Forty-eight officers used their firearms to destroy injured animals and 4 officers fired at attacking dogs.

### **Canine Review**

At the end of 2010, there were 19 K-9 teams working. There were 669 reported canine uses which led to 191 non-bite apprehensions and 21 bite apprehensions

### **Injury Review – Resisting Subjects**

Forty-eight percent or 397 of resisting subjects reported injuries in 2010. This is up from the 37% that reported injuries in 2009. Of the 397 resisting subjects who reported injuries, 3 were fatally wounded. Fifty-four were listed as being “treated/admitted” (25 were involuntary commitments). Of the remaining 29 who were reported as treated and admitted, 2 were admitted due to drug and/or alcohol overdoses, 4 were admitted due to swallowing narcotics to prevent recovery by arresting officers, 14 were admitted for injuries sustained during the encounter with police, 7 were admitted for injuries sustained prior to the encounter with police, and 1 was admitted due to pre-existing medical conditions. Twenty-three were self treated or treated by EMS, 239 were treated and released, and 54 refused treatment. The most common type of injury to resisting subjects was cuts/abrasions to the face resulting from strikes to the face or from the ground during a takedown or ground fighting.

### **Injury Review – Officers**

Ten percent or 136 officers reported injuries in 2010. This is up from the 7% or 101 officers who reported injuries in 2009. Two officers were seriously wounded. Seventy-two officers were listed as self treated or treated by EMS and 22 were treated and released. Common injuries to officers were hand injuries, cuts and abrasions.

# Traffic Stops in the City of Pittsburgh, 2010

1. Total Traffic Stops: .....**27,972**

2. Stops by Month: The average number of monthly traffic stops for 2010 was 2,331 with a high of 2,894 stops in January and a low of 1,124 stops in December. The median number of stops was 2,528. Excepting the months of February and December (with relatively low number of stops), the number of stops for the remaining 10 months is over 2,000 per month (range between high and low number of stops = 731 for the 10 months).

Traffic Stops by Month

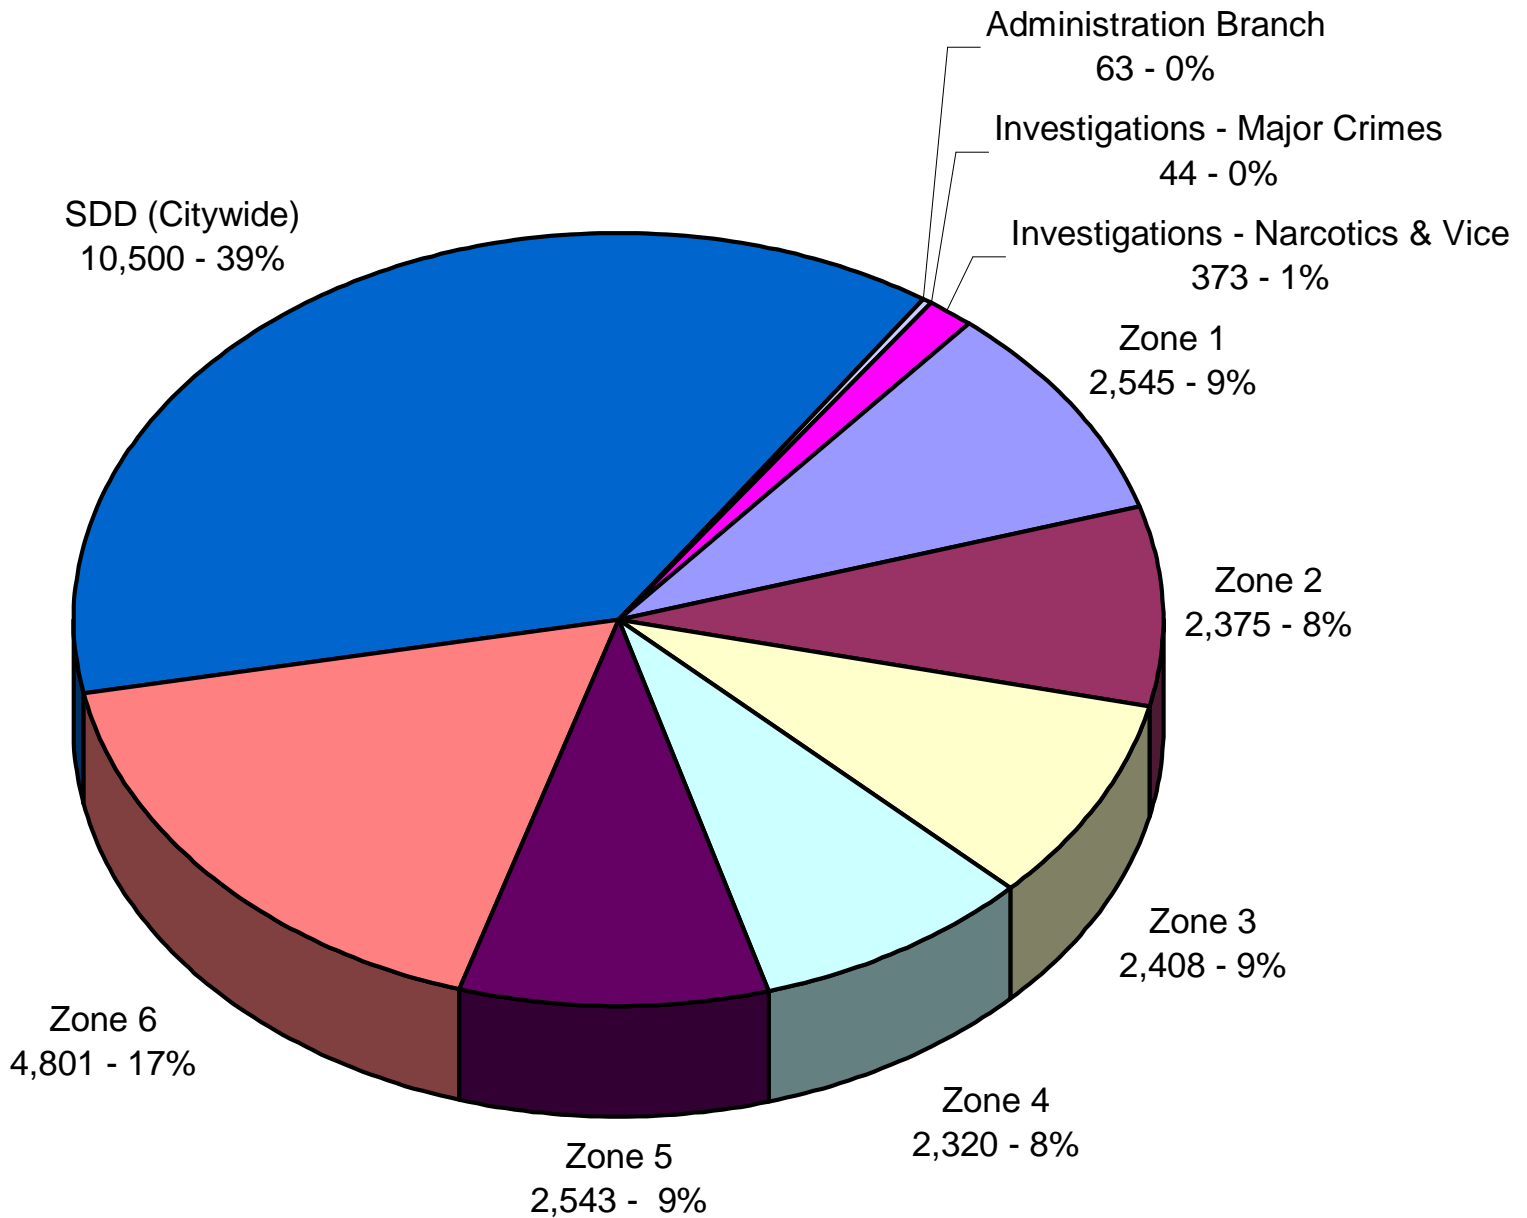

3. Traffic Stops by Time of Day: Traffic stops by time of day indicate that most traffic stops occur during the morning (7 a.m. – 10 a.m.) and evening (4 p.m. – 6 p.m.) rush periods. The lowest period of stops is in the early morning hours (3 a.m. – 7 a.m.) when there is relatively little traffic on the roads.

Traffic Stops by Time of Day

- 4. Traffic Stops by Officer's Unit of Assignment: Traffic stops by officer's unit of assignment indicate that numbered zones each make up about 8% or 9% of the total stops. Zone 6 and the Special Deployment Division (City wide enforcement) make up 56% of the total stops. The Administration and Investigation Branches make up less than 2% of the total stops.

### Traffic Stops by Officer Assignment

5. Traffic Stops by Location (census tract): High frequency traffic stops (*frequency > 500 stops in a calendar year*) were in high traffic locations:

Allegheny Center  
 Golden Triangle  
 Strip District  
 Middle Hill District [Centre Avenue primary route of travel]  
 Southside [Carson Street primary route of travel]  
 Beechview [Liberty Avenue primary route of travel]  
 Banksville [Banksville Avenue primary route of travel])  
 Carrick [Brownsville Road primary route of travel]

When traffic stop data is correlated against Part I Crimes, Part II Crimes and Total Crimes by census tract using Pearson's R, the results are:

|              | <u>Pearson's R</u> |         |             |
|--------------|--------------------|---------|-------------|
|              | Part I             | Part II | Total Crime |
| Traffic Stop | 0.601              | 0.660   | 0.651       |

The Pearson's R being greater than 0.5 in all three cases studied indicates that there is a strong positive relationship between traffic stops and where crimes occur (areas that we patrol heavily).

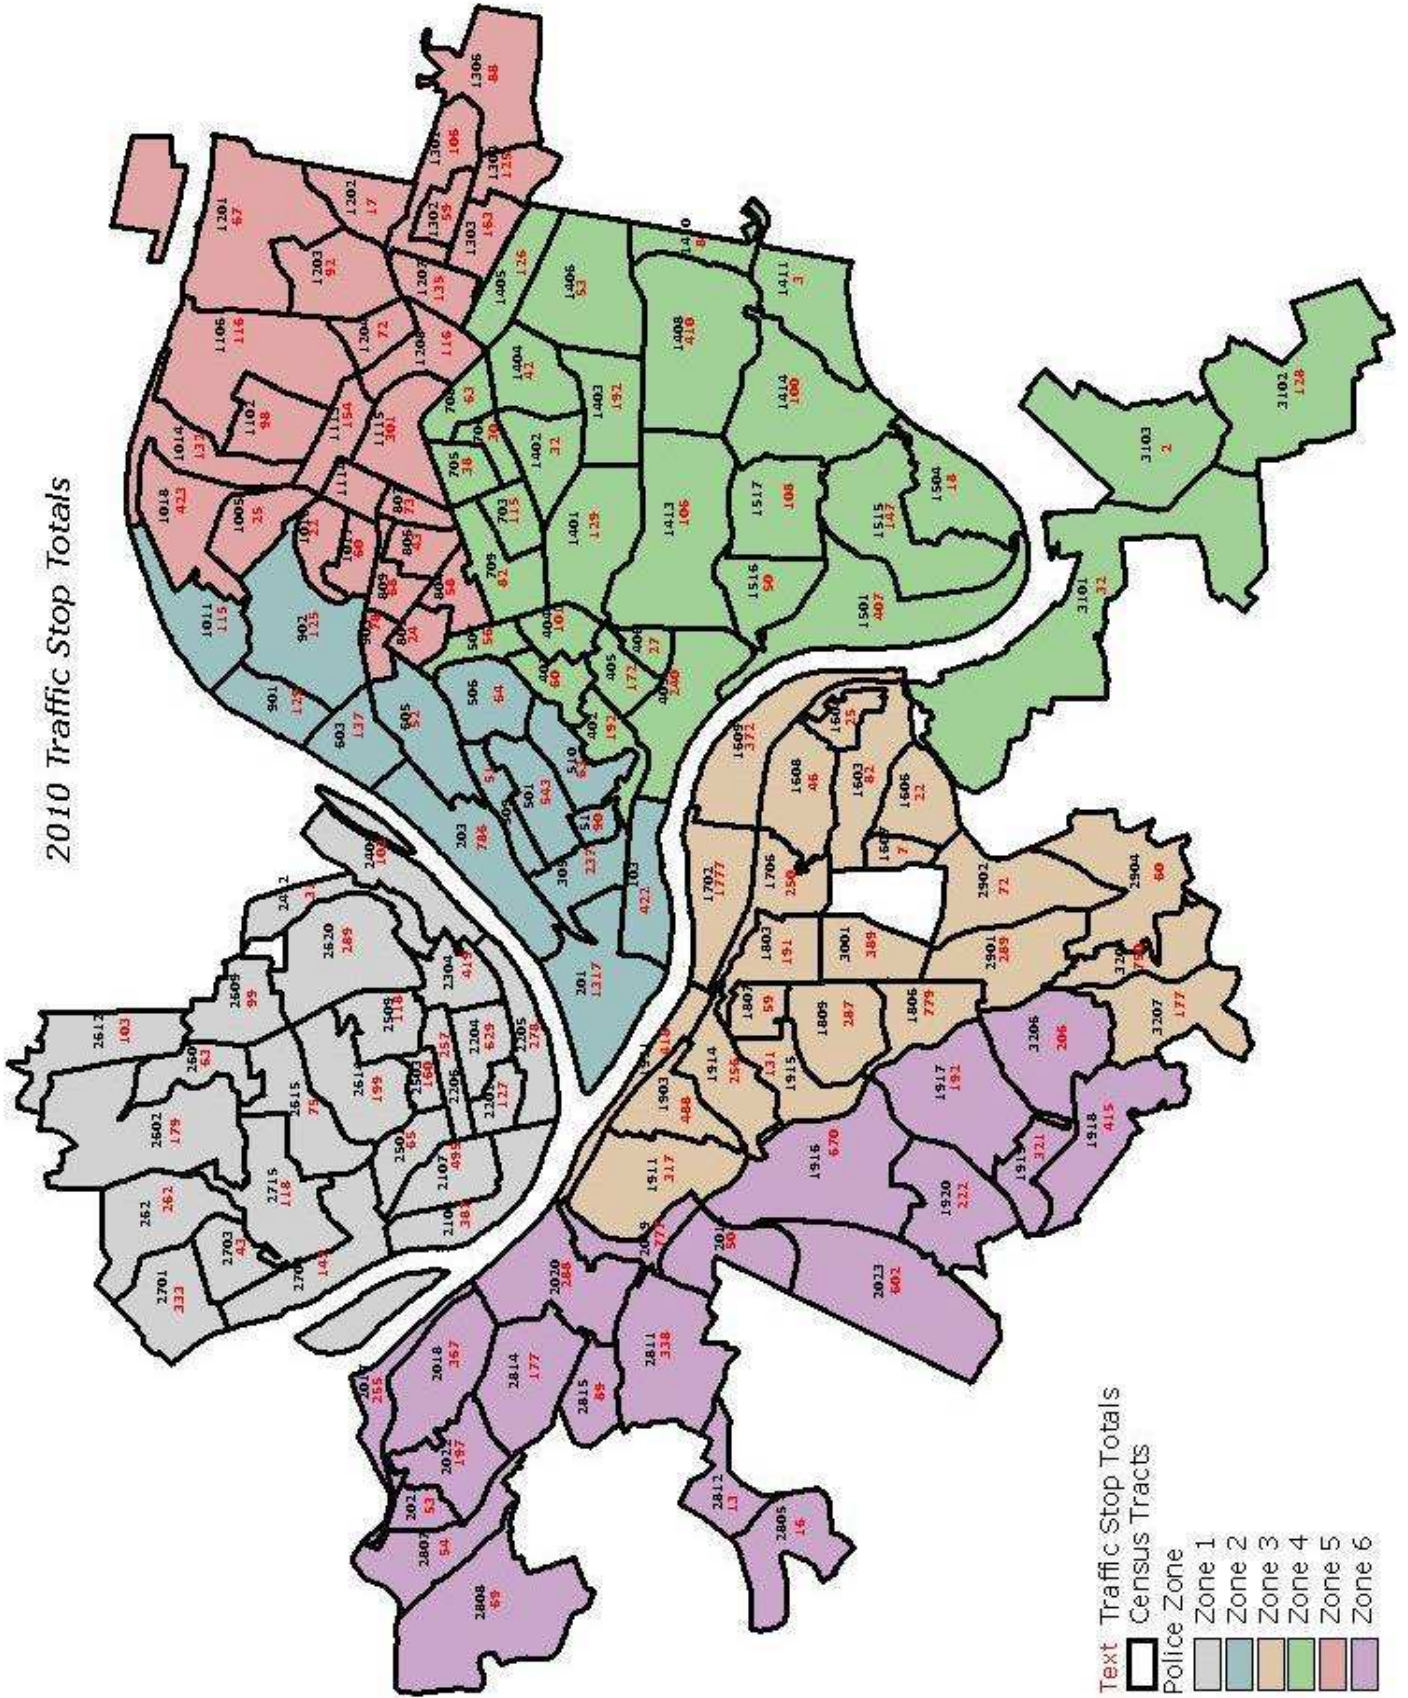

### Pearson's Correlation Scale

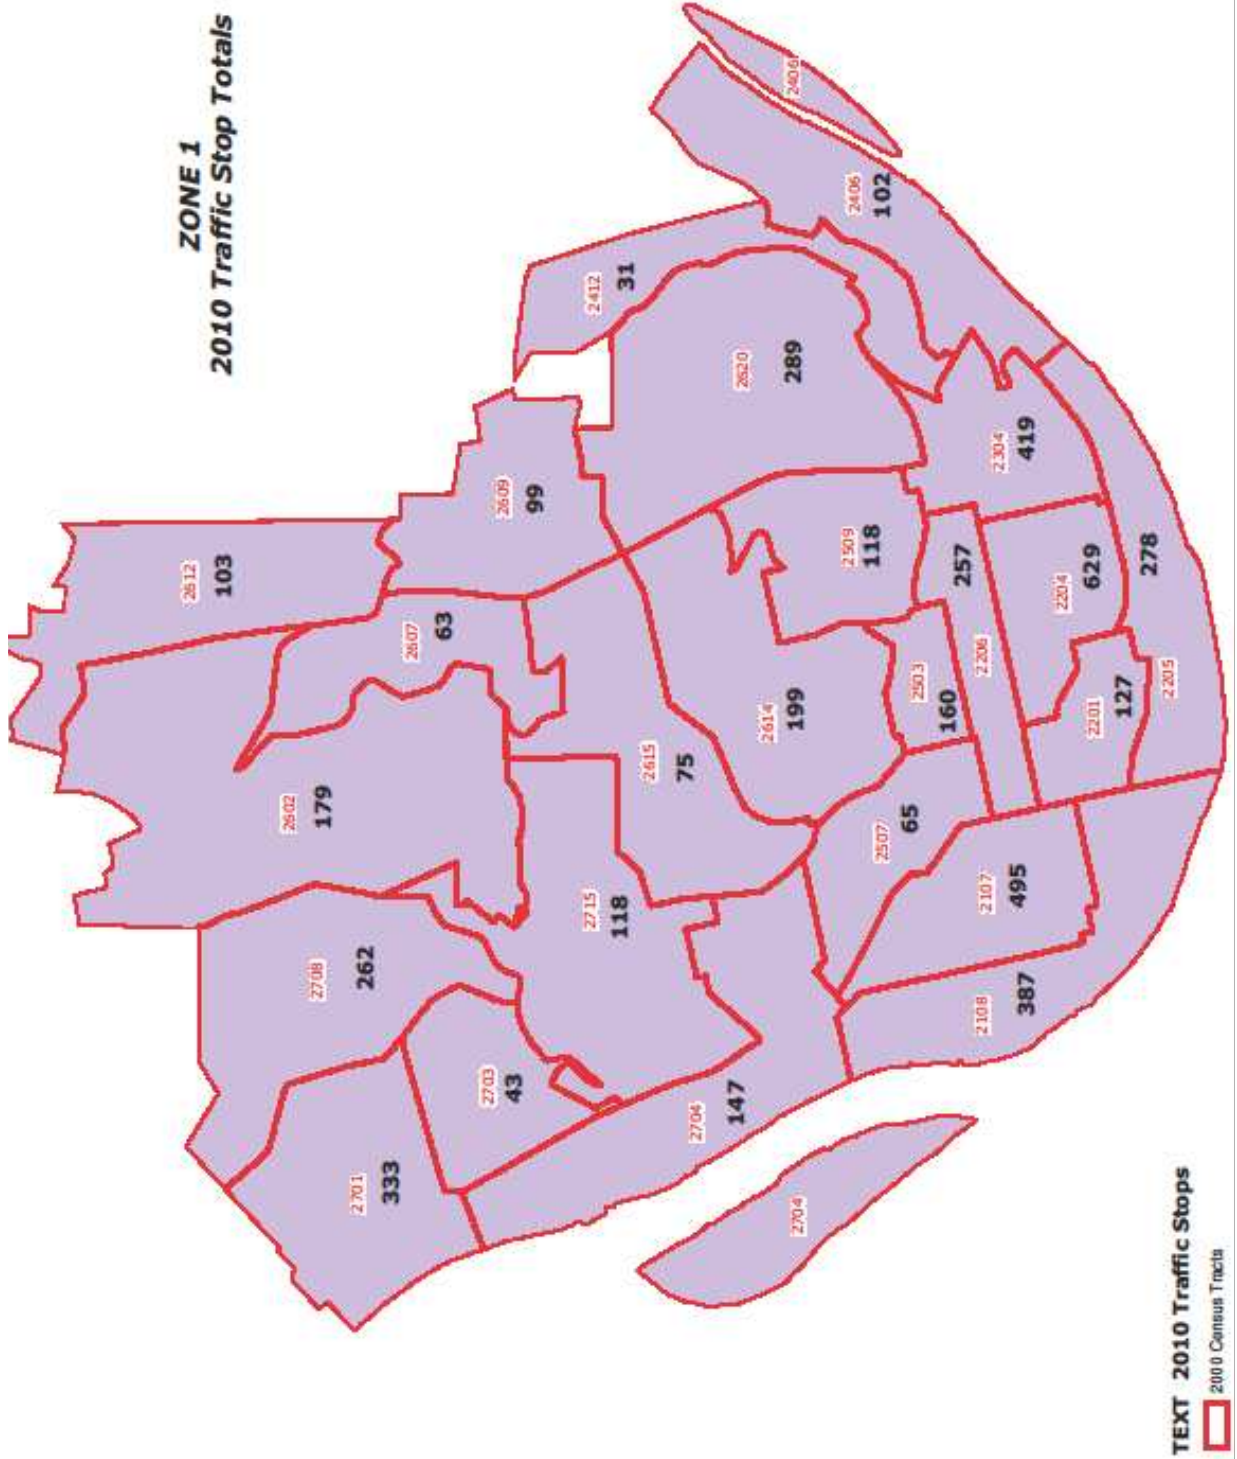

Maps with all census tracts and traffic stops are on the following pages.

# Pittsburgh Police Disciplinary Actions, 2010

1. Total Disciplinary Actions Initiated: .....**60**

In 2010, there were 60 cases of police disciplinary actions initiated involving 51 officers. Of the 60 cases, 58 were finalized.

2. Disciplinary Action by Infraction: The majority of infractions for which a disciplinary was initiated in 2010 involved officer operation of police vehicles (this includes the actual operation of the vehicle and seat belt use). The second highest category of infraction was performance of duty (to include performance while on secondary employment). The pie chart below provides a distribution of all infractions charged for the 58 completed disciplinary actions:

**2010 Disciplinary Action - Charges**

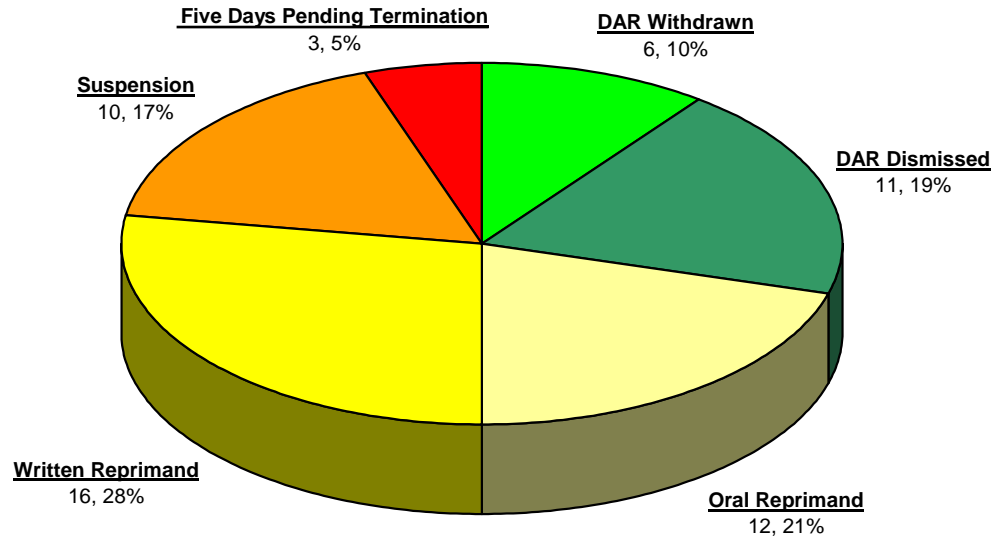

3. Disciplinary Action by Result: Disciplinary action initiated can result in six different outcomes:

- a. The disciplinary action can be withdrawn
- b. The disciplinary action can be dismissed
- c. An oral reprimand
- d. A written reprimand
- e. Suspension
- f. Five day suspension pending termination

In addition to the formal results of the disciplinary process, administrative actions can be initiated to include counseling, training and suspension from secondary employment.

The pie chart below provides a distribution of all results charged for the 58 completed disciplinary actions (does not include any administrative actions taken):

**Result of Disciplinary Actions Initiated**

4. The table below displays results of charges initiated compared to final outcome of the disciplinary action:

|  | <u>DAR<br/>Withdrawn</u> | <u>DAR<br/>Dismissed</u> | <u>Oral<br/>Reprimand</u> | <u>Written<br/>Reprimand</u> | <u>Suspension</u> | <u>Five Days<br/>Pending<br/>Termination</u> |

## Pittsburgh Police Retirements, 2010

In 2010, the Bureau lost 34 active sworn personnel. Seventeen of the losses were due to resignations, termination and death while on active duty. The remaining 17 losses were due to the retirement of the following officers. We thank them for their service to the City of Pittsburgh and wish them well.

| <u>NAME</u>       | <u>RANK</u>    | <u>APPOINTMENT DATE</u> | <u>RETIREMENT DATE</u> |
|-------------------|----------------|-------------------------|------------------------|
| Donald Barry      | Police Officer | January 7, 1991         | January 4, 2010        |
